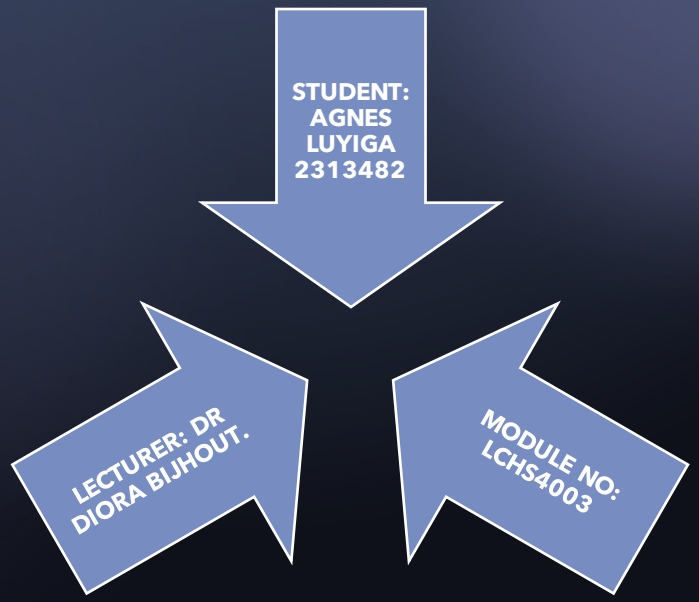
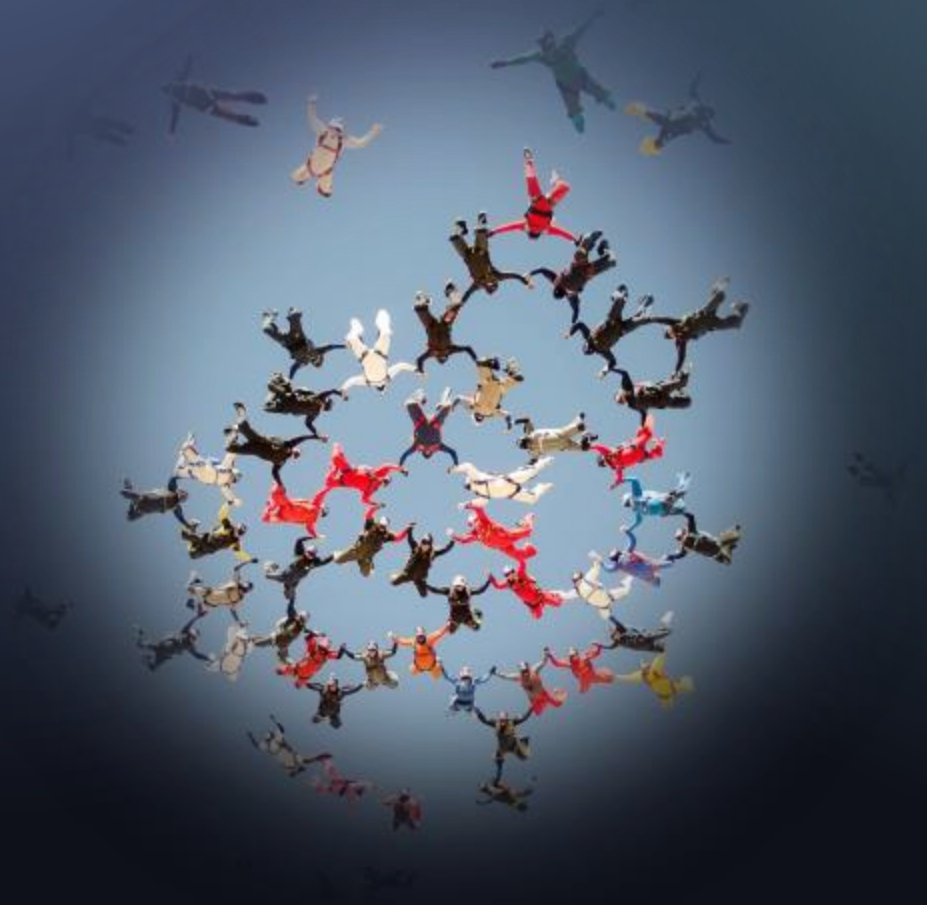
# HEALTH AND SOCIAL CARE



# OVERVIEW;

- INTRODUCTION
- EARLY YEARS OF NURSING CARE HOMES
- WHAT IS DONE IN NURSING CARE HOMES
- WHAT HAS CHANGED SINCE 1948
- CONCLUSION
- REFREENCES.



# INTRODUCTION

- NURSING CARE HOME; " a home which always have a qualified nurse on site to provide medical care.
- Cater for individuals with higher level needs, such as immediate care following being in hospital.
- Mostly these are elderly people.

# Early years in nursing homes

- The first care home began in 936.
- It was known as ALM HOUSE built in York.
- Funding was provided by king AETHLSTAN in the nineteeth century.

Students taking notes around a patient's bed on how to use an oxygen mask .

# WHAT IS DONE IN A NURSING CARE HOME

FEEDING RESIDENTS,

DRESSING,

TOILETING,

SOCIAL INTERACTION FOR EXAMPLE, SINGING, PLAYING GAMES.

# WHAT HAS CHANGED SINCE 1948;

- 1980, Nursing care homes became a big sector under the conservative leadership.
- 1990,Individual needs and care plans were implemented.
- 2000, Standards risen as care homes were now nursing care homes with a registered nurse.
- 2020, Staff had to live on site to avoid spreading covid to residents.

- These Luxury homes today have;
- Fine dinning
- Facilities like, salons ,spas and even cinema.
- Built in high streets to provide a safe community for the residents.

# CONCLUSION ;

- Nursing care homes are of beneffical both to the elderly people and to the community.
- They also contributes to the long living  of an individual as a care plan is set according to his/her needs to make life easier for them.
