--What's up SKIO FAM--

This Original song contest is all about anything Deep House music! Whether it's an instrumental or a track with vocals SKIO wants to hear.

Submit your tracks by January 19th for the opportunity to be heard by our very own A&R Team.

First place prize includes a 1 on 1 mentor call with a SKIO A&R, and eligibility to monetize their music as a content partner with SKIO. You also have the chance to win DJ Swivels brand new plugin 'BDE', 6 month SKIO + Subscription, and more!

Excited to hear all of your submissions - Best of Luck SKIO fam!

♬【Shout out to our sponsor】♬

DJ Swivels BDE is an earth-shattering distortion plugin featuring several distortion styles, complimentary effects, M/S, and Frequency control over the distortion effect, along with the worlds first user-definable

dynamic preservation control function, allowing you to maintain the dynamic range of any signal while still applying a distortion effect.
