UWTSD - Lighting Workshops 2023

Here's a list of references to help with your personal study;

Lighting Basics

Books
Perhaps a bit 'old fashioned' now.. it is still one of the best introductions
Francis Reid ; Stage Lighting Handbook ISBN 9780878301478
Published January 2, 2002 by Routledge

Video
This is American.. so some of the lanterns are slightly different to UK.. but still a very useful introduction.

Lighting Design

Book
Stage Lighting Design; A Practical Guide Neil Fraser
ISBN 10: 1861262485 / ISBN 13: 9781861262486
Published by The Crowood Press Ltd, 1999

Lighting Programming (based upon ETC Ion and Eos platforms)

Best place for this is **Youtube**! It's up to date and offers a wide range of different views and ideas;

Basic set up and programming. This is long and detailed but very accurate.
