TASG:	**Oral presentation: Demonstrate ability to answer basic questions in Welsh, and to discuss the importance of the Welsh language in the healthcare sector.**
Sylwadau/ Pwyntiau leithyddol *Language Points/Comments*	Learning Welsh has been challenging but you have made some progress Monica. Part 1: Pronunciation: You were able to pronounce the place names and people's names clearly and accurately Monica. Da iawn! Practice the following. 'Dafydd', 'Castell Nedd, Pontypridd (in Cymraeg the letter 'dd' sounds like 'the' not 'd') Practice 'ysbyty' Part 2 – Translating sentences: You were able to correctly translate a couple of the sentences and questions. Part 3 – Conversations: You found it difficult to read and pronounce the sentences correctly.
Canolbwyntiwch ar y pwyntiau canlynol: *Concentrate on these things:*	Keep practicing your pronunciation, Monica. Try greeting individuals in Cymraeg. Begin conversations with 'Bore da', Prynhawn da', and "Sut wyt ti?'. Be confident and don't be afraid to have a go! Diolch yn fawr, and good luck with your studies Monica.
Part 2 Discuss the importance of the Welsh language.	You demonstrated a simple awareness of the importance of the Welsh language in healthcare settings, however, I would have like to hear you discuss its importance in detail.
