Pam mae bod yn fyfyrriol yn bwysig?

Why is being reflective important?

"the act of thinking about, analysing, assessing, or altering educational meanings, intentions, beliefs, decisions, actions, or products by focusing on the process of achieving them"
(Tsangaridou and O'Sullivan, 1997)

Tasg: Pan edrychwch yn ôl ar eich profiad eich hun mewn ystafell ddosbarth, a allwch chi nodi eiliad lle cafodd newid gwirioneddol mewn agwedd ei sbarduno gan hunan-fyfyrion gonest?

"Reflection can act like a 'gyroscope', helping educators stay balanced amid a changing environment"
(Brookfield, 2017)

Task: When you look back at your own experience in a classroom, can you identify a moment where a genuine change in approach was triggered by honest self-reflection?
