

Academic Integrity & Avoiding Plagiarism

Done

As a student of UWTSD, you are expected to adhere to the moral code deemed essential by UK universities. The core academic standards being:

- Fairness, honesty, trust, respect, responsibility, and courage.

Maintaining these academic standards in your everyday practice as a member of the University, is vital to your success as a student and your future in the workplace. It will ensure confidence in your qualification and academic pride in your achievement.

The aim of the session is for learners to explore and recognise the importance of academic integrity when completing their assignments.

By the end of the session, learners should be able to:

Recognise what is academic misconduct

Identify different types of plagiarism

Explore ways in which to avoid plagiarism
