TABLE A) Provisional Module Selection at Host Institution

Please list the modules you intend to study at the host institution in the table below.

The minimum number of credits you must enrol on at your host institution will be detailed in your application instructions. You will need to take the equivalent of 60 credits per semester. Your Academic School Exchange Coordinator can advise on this.

These module choices are provisional and may be subject to change when you arrive at your host institution. It is therefore strongly recommended that you include additional reserve modules in case of any cancellations.

Learning Agreement for Exchange Programmes

This Learning Agreement is a useful record of the modules that you will study at your host institution and confirms that you have sought approval for these modules from your academic School at UWTSO. It is each student's responsibility to complete the Learning Agreement. Your Academic School Exchange Coordinator must approve module choices. They will also be happy to advise on module selection, and on other sections listed below.

Please note: The Learning Agreement must be hand signed or include an electronic signature - typed names will not be accepted.
