Skyscapes, Cosmology and Archaeology

Week 7 Hands-On Exercise

Week 7

What is the declination of the setting sun?

As the sun is setting, go outside with your compass/clinometer or smartphone app and measure its azimuth and altitude. Then use the excel spreadsheet on moodle to convert it to declination.

Skyscapes, Cosmology and Archaeology

Thought of the Week

- This section includes a question for you to think about during your readings of the week.
- Share your thoughts on the facebook page.
- You might even find yourself taking notes that you can use for your essays.

Week 7

Should Archaeoastronomy be concerned only with the study of alignments?

No seminar next week!

Scheduled programming will resume April 6th
