Dear Mr/Mrs/Miss/Ms _____

I wish to apply for the role of CSCS Dryliner , currently being advertised on involved recruitment. Please find enclosed my CV for your consideration.

As you can see from my attached CV, I have over 5 years of practical drylining experience in the

construction industry, and I believe _my skills, hands-on knowledge, and reliability during this time make me the right/perfect candidate for the role.

In my current role as a Dryliner at various construction companies, I have been responsible for

__installing plasterboards, stud walls, ceilings, partitions, insulation, metal frames, and taping & jointing.

[Now write about what you learnt during this experience – relevant to the role you are applying for] _During my work, i have learned the importance of accurate measuring, following site safety rules, good communication, planning tasks properly, and completing work to a high standard while working efficiently in different site conditions.

.

All of this, coupled with my enthusiasm and dedication, *[insert skills relevant to the role]*,
_strong teamwork, communication, and problem –solving skills,

has helped _me consistently deliver high-quality work while maintaining deadlines and
safety standards .

I am confident that I can bring this level of success with me to your organisation and
help build upon their reputation as [state their position in market – learned through your
research]. With my previous experience and expertise, I believe my contribution will
have _a positive impact on the efficiency and quality of the project.

Thank you for considering my application. I look forward to the opportunity to discuss
my suitability further.

Yours sincerely/Yours faithfully,

[Your Name] Daniel Petrov Milkov
