

HPPH7010 KRR, Ass 2
Kate Gong 2023539

This essay, whilst revealing knowledge and understanding of Descartes' method of doubt, contains quite a few grammatical mistakes that need ironing out in order for the essay to be better presented. That said, you show an engagement with a very wide range of secondary reading material & successfully incorporate it into the essay. Try to utilise the primary material in more depth. Use Descartes' Meditations to outline, & then the secondary sources to critically essay.
