Personal Statement

I have extensive and long-term experience with cleaning in all areas(for example,in the private sector,healthcare facilities,supermarkets or in Government sector)

I' have benn working as a Supervisor for more than 10 years were I' lead a team of 15 members. I' used to solving complex situationsand working under pressure .My priority is that your costumer-supplier and my employer are always satisfied.

Key Achievements

After entering a plan for each month and my calculation I' wantto improve the quality and quantinty of work.

Within one year I' want to use social networks and be one of the most and best rated companies on social media in Swansea.
