(as a substitute for your signature) to confirm that you agree to the above declaration.

For completion by the first marker:

Comments:

This is an incredibly interesting & well-researched piece of work that focuses on the task set & reveals an excellent understanding of relevant scholarship. In places, the essay tends to be overly descriptive, and I think there is more scope for incorporating more by way of an argument that draws more heavily on some fragments. However, this is an excellent piece of work & very well written, evincing a perceptive & in-depth understanding of the topic.
