This includes a Christmas Bonus for 2022 of £10.00.

We will pay the money into the account that you have told us about by 06/12/2022.

If you do not receive your payment by the expected date please contact us on the number at the top of this letter.

We will continue paying your Disability Living Allowance into your account.

Changes you must tell us about

The changes that you must tell us about are shown on a separate page.

Please note- We may look at your award again from time to time to make sure that you are getting the right amount of DLA. This means that if the amount of help you need has changed, your award may increase, decrease or stop altogether. If there has been no change in the amount of help you need then your award will stay the same.
