The Directorate of Immigration (UDI) grants you a temporary residence permit as a student, giving you the right to work part-time, cf. the Immigration Act section 26, see the Immigration Regulations sections 6-19 first paragraph and 6-33 second paragraph.

Duration of the permit

You can find information about the duration of your permit above.

If the duration of your permit is from reporting to the local police:

- You have to travel to Norway during the period stated in the information letter to the Foreign Service Mission, (embassy or consulate), see the Immigration Regulations section 10-17, first paragraph.
- The last entry date is stated either in the information letter to the Foreign Service Mission from the UDI, and/or in the decision's cover letter.
- You can start to study when you come to Norway.
- You can start to work part-time after you have been at the police station to give your fingerprints and signature, and the police has taken a photo of you and has ordered a residence card.
