

Academic And Employability Skills

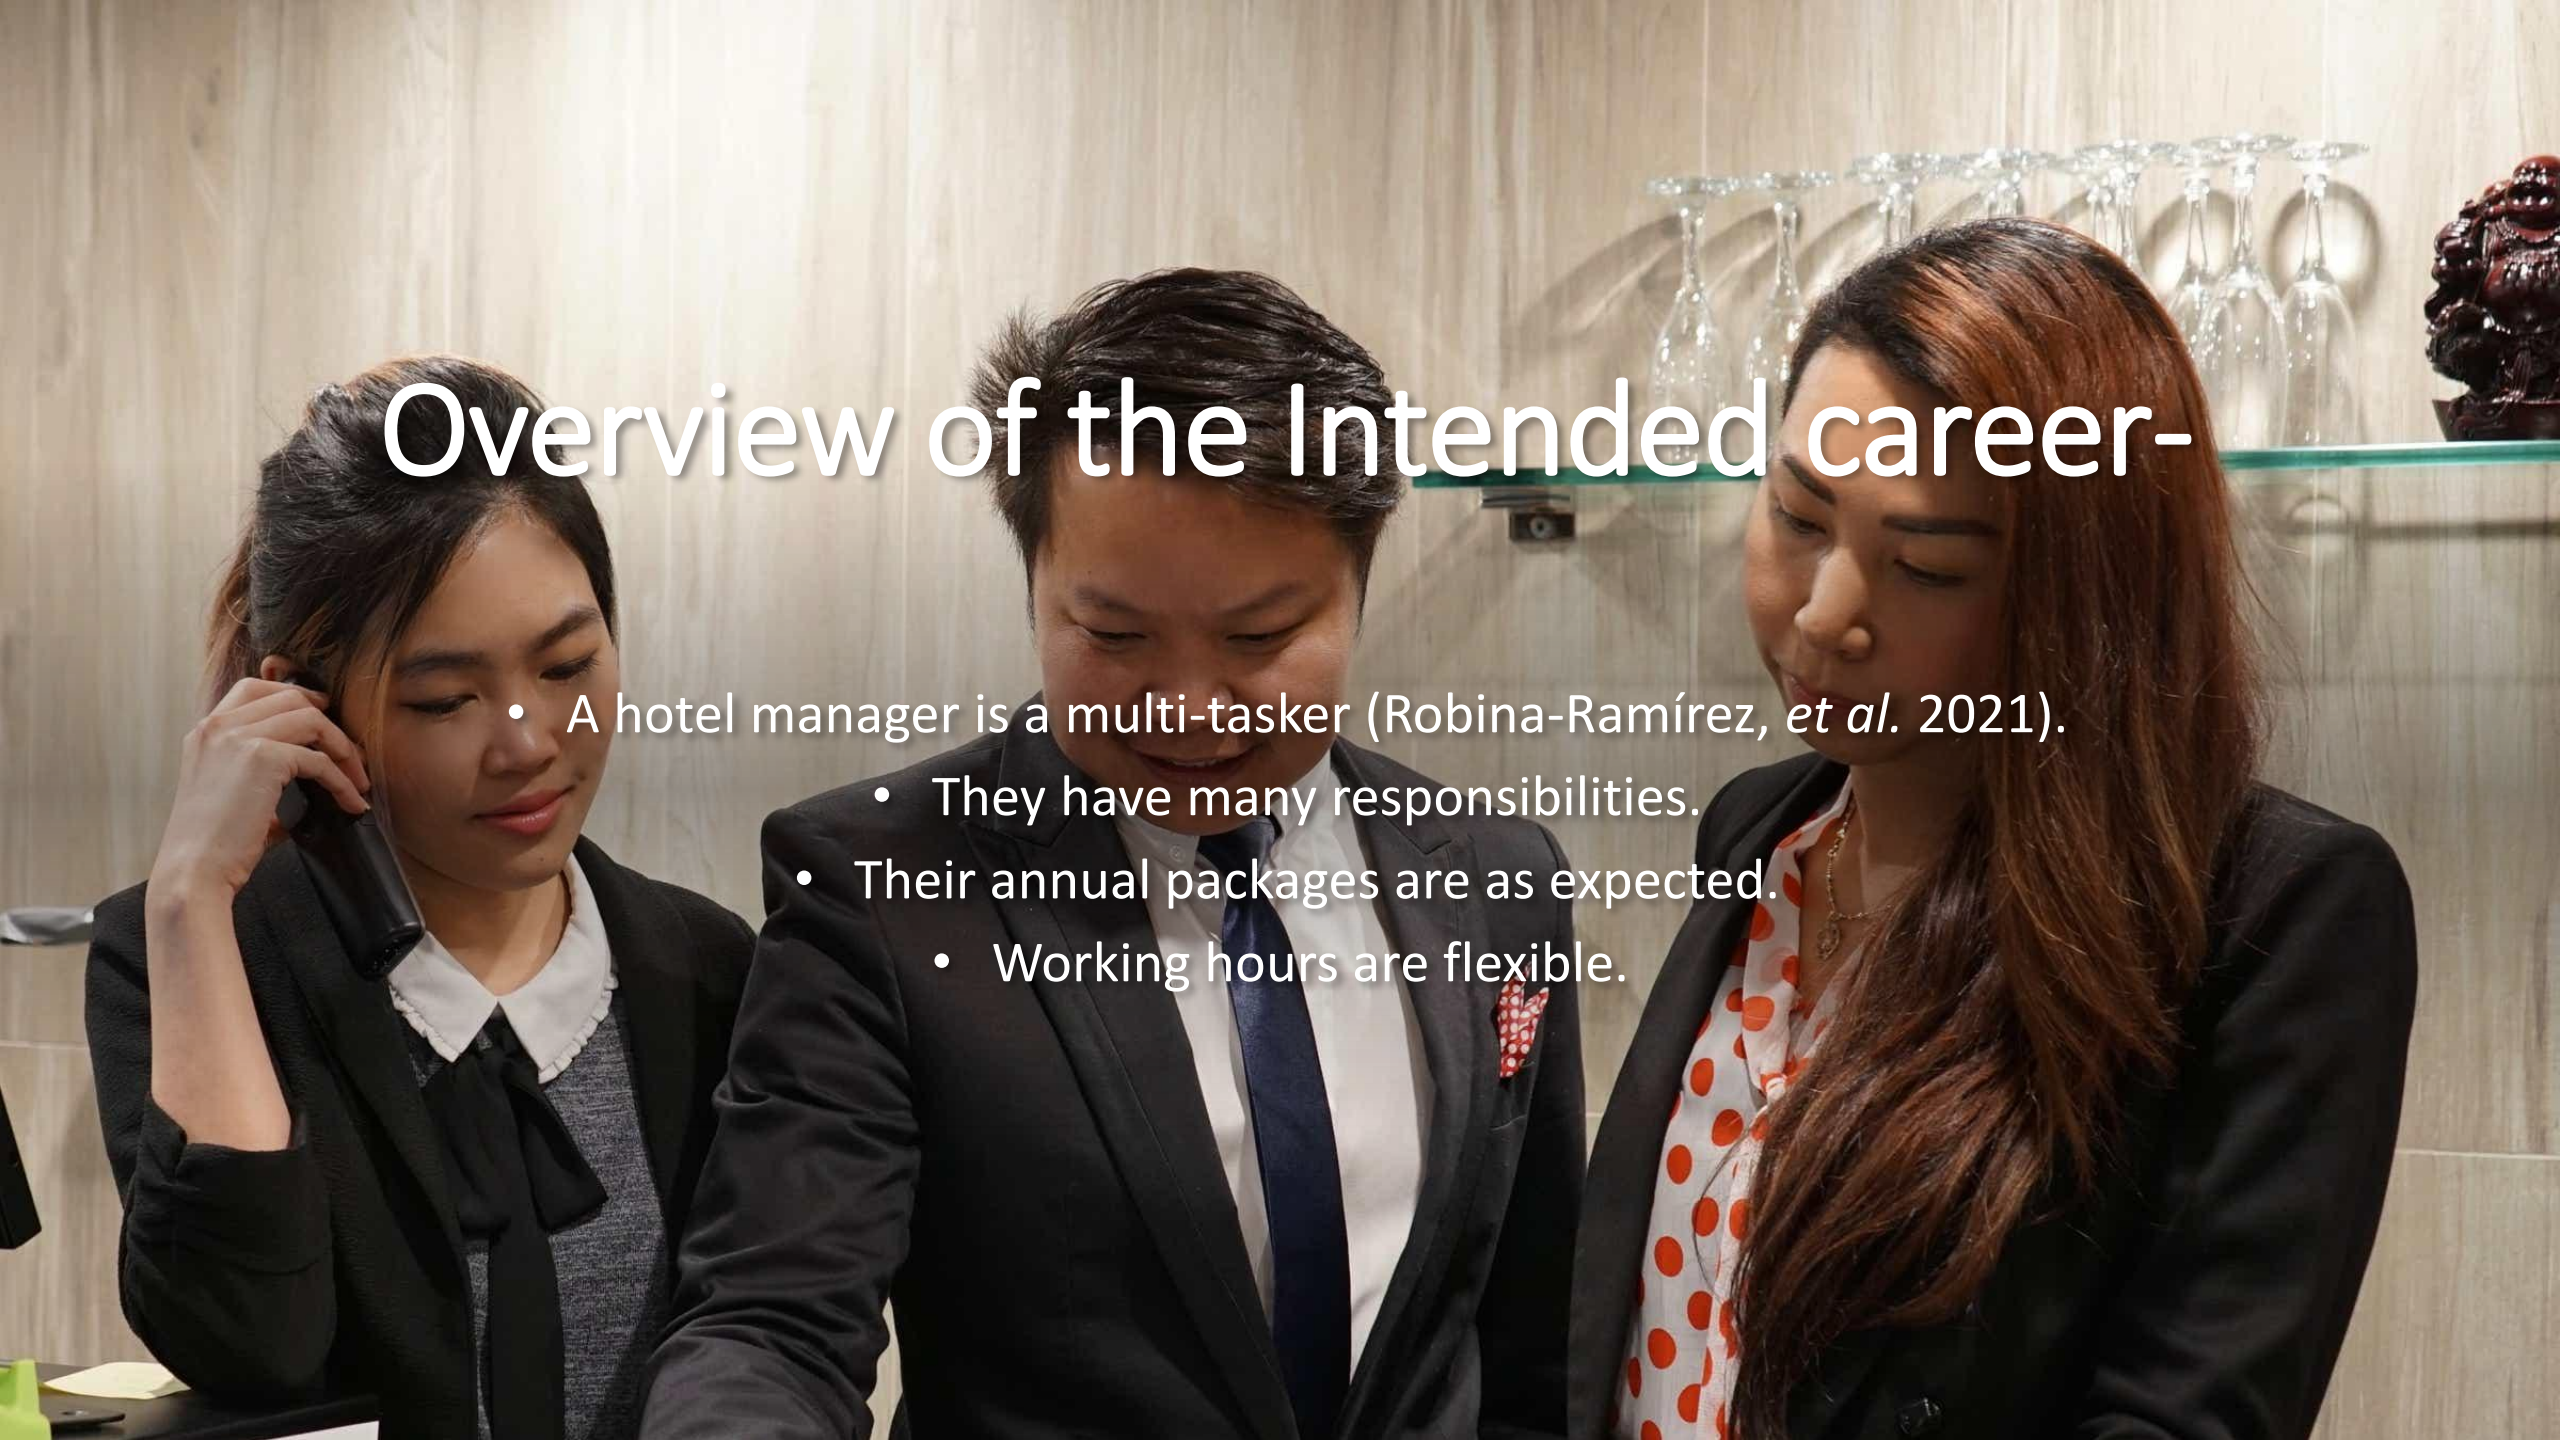

- Task 1.
- Name of student : Andrei Viorel Ilie Minof
- Teacher name : Joanna Walsh
- Student ID : 2132997

Introduction

- The purpose of this presentation is what skills do I have to survive in the industry
- Discussing the skills that I have.
- Overview of my intended career
- SWOT analysis before working in the sector I choose for work
- Before working in my chosen sector, what skills should I develop?
- Overview of the sector I have chosen to work in.

A photograph of three hotel professionals in a meeting. A woman on the left is talking on a black cordless phone. A man in the center is looking down at a device. A woman on the right is also looking down. They are all dressed in business attire. In the background, there is a wooden wall and a shelf with several wine glasses.

Overview of the Intended career-

- A hotel manager is a multi-tasker (Robina-Ramírez, *et al.* 2021).
 - They have many responsibilities.
 - Their annual packages are as expected.
 - Working hours are flexible.

Strength

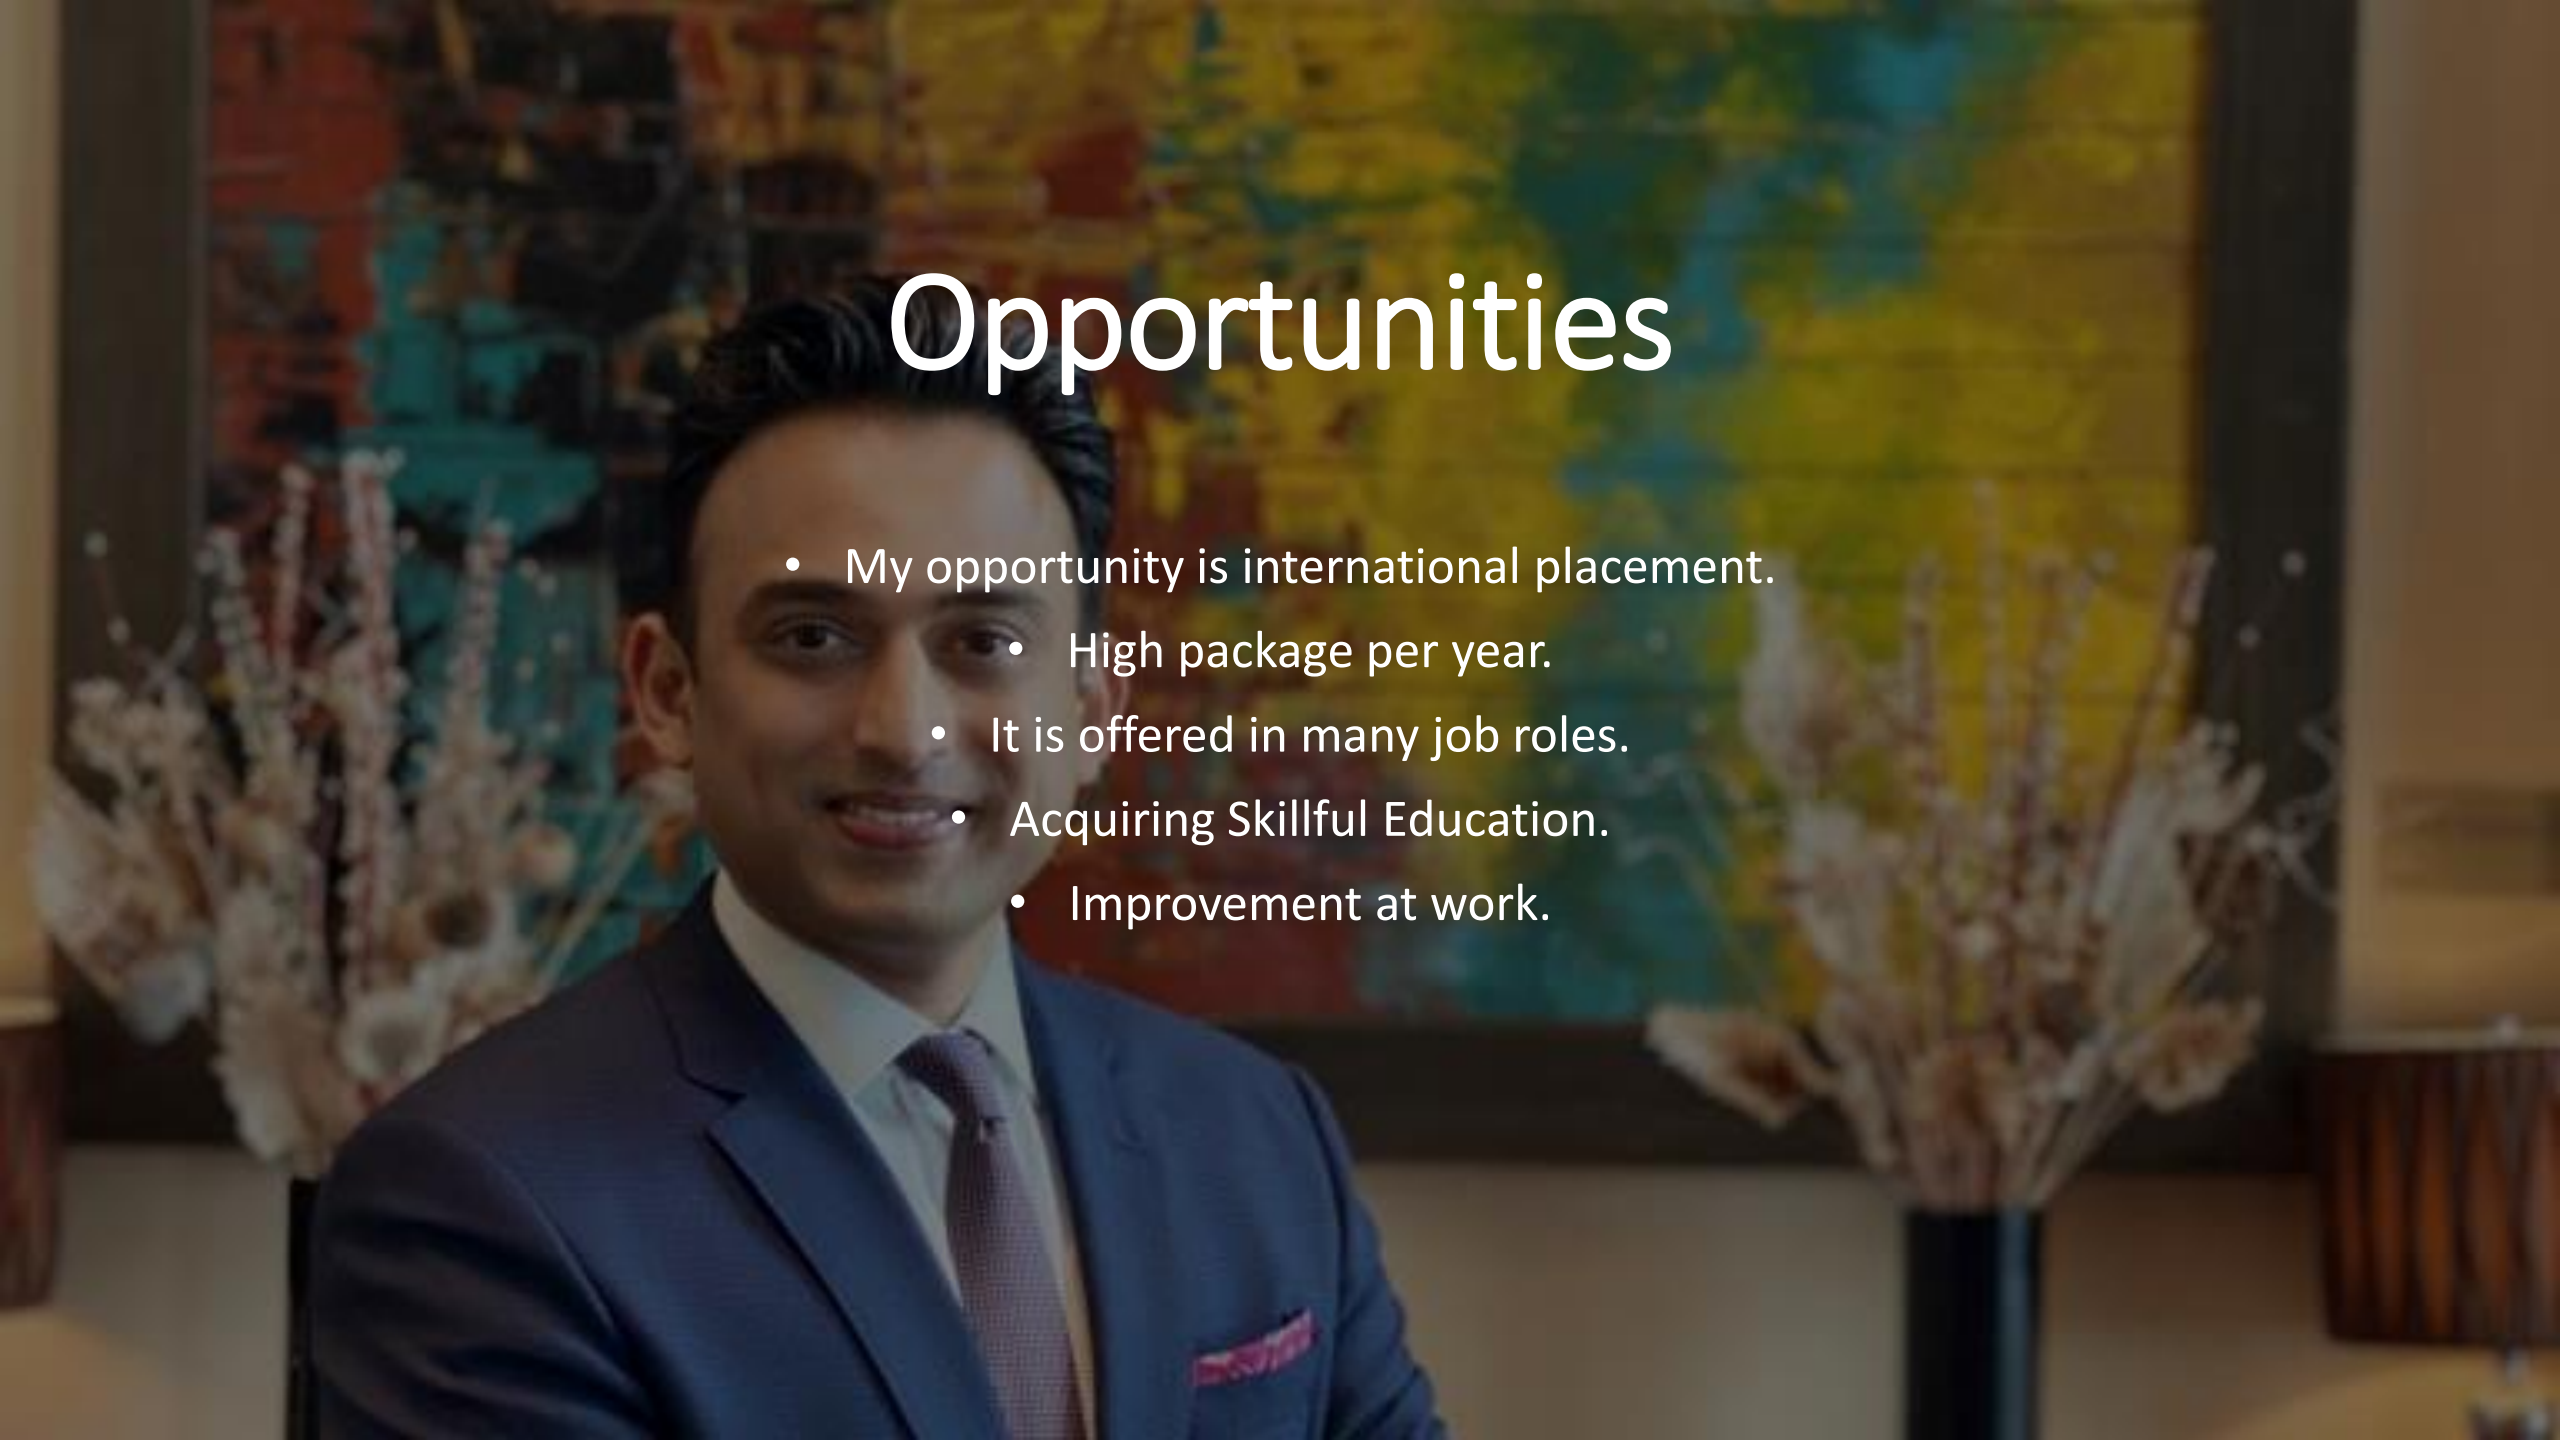

- My biggest strength is multi-tasking.
- Problem solving is another one of my strengths.
 - I am always aware of danger.
- The most important strength is my time management skills.

Weakness

- My worst weakness is my very poor communication skills.
- Second weakness is my lack of teamwork capacity.
- I cannot pay attention to detail to any subject or anything.

A man with dark hair, wearing a dark blue suit, white shirt, and a patterned tie, is smiling and looking towards the camera. He is seated in a room with a large, colorful abstract painting in the background. The painting features vibrant yellow, blue, and red tones. To the left and right of the man are decorative arrangements of dried flowers in vases. The overall lighting is warm and professional.

Opportunities

- My opportunity is international placement.
- High package per year.
- It is offered in many job roles.
- Acquiring Skillful Education.
- Improvement at work.

Threat

- My first threat is that I am not familiar with technology.
- Second, my lack of leadership skills.
- Since it is a market-based job, it is important to have market knowledge while studying which I don't have.
- Rivalry in studies is also a very big threat for me.

Skills to develop	How it helps	How to develop skills	Time-bound
Teamwork	It will help me not only as a student but also to work in my workplace later and maintain a work culture	I will do the work or assignments given by the teacher with the classmates in groups or by discussing	7-10 days
Communication	It will help me in any kind of interview, be it during exams or post graduation jobs or customer handling.	It can be resolved by talking to my classmates or friends or teachers or non-teaching employees as much as possible	1-2monthes
Attention to Detail	Observing power will help me to do well in exams	Start noticing small things at the place of study, it may be notes or lectures or study material while reading. Also, I have to notice small things in my personal life	2-3monthes

Overview of the chosen sector

- Hospitality industry is one of the largest industries.
- It offers huge job opportunities.
- It provides huge opportunities to save from unemployment in the time of pandemic (Davahli *et al.* 2020).

- This study helps me to know about my strengths, weaknesses, opportunities, threats.
- This study gives me information about the hotel industry.
- This study shows that this study makes me skillful and helps me to progress in my career.

Conclusion
