

REGAINING PARADISE

Sustainability in the Early years

Chloe Stebbings 2424798

The image is a vertical collage of three nature photographs. The top half is split into two panels: the left panel shows a dense canopy of green trees with a blue sky and white clouds visible through the leaves; the right panel shows a bright green grassy hill sloping upwards towards a line of trees under a blue sky. The bottom half of the collage is a single panel showing a calm body of water reflecting the surrounding green trees and a clear blue sky.

FENDROD LAKE,
LLANSAMLETT, SWANSEA
