

We are team “Capella”

The group consists of three MA Music Industry Entrepreneurship students and two MA Commercial Songwriting and Production students.

Lisa Mottram aka Cherryshoes - MA Commercial Songwriting and Production student

Lisa is a singer-songwriter and music producer. Graduated in Sound Engineering and Studio Production at BIMM Brighton and have a Diploma in Vocals and Performance.

She has been involved in creating the sound and visual effects for various projects, session singing, festivals and been featured on BBC Radio stations and local radio.

Lisa's work experience include finding bands, promoting, being on hand to the sound engineers on events for local Welsh festival Mall fest, receptionist and event organiser at Art House Brighton, as well as airtime, reading out comments and introducing local bands on Cardiff local radio station.

Joe Bailey- MA Commercial Songwriting and Production student

Producer, Songwriter, Extraordinaire.

Elizabeth aka Erzsebet Hugie Hehn - MA Music Industry Entrepreneurship student

A fresh pair of eyes in the music industry with 12 years Operation and Project Management background in Travel & Tourism. Originally from Hungary where she had a BA in Teaching Engineering and IT. Before she moved to London, she made a career in Travel & Tourism in Dublin, Ireland. She has recently decided to change career path and follow her passion and interest in the creative sector. Elizabeth has some previous experience in organising events and festivals and also in artist management, however only on a non-profit, volunteering, hobby basis.

Elizabeth's is image and video production and editing.

Temuulen Khorloo aka Telisa (stage name) - MA Music Industry Entrepreneurship student

and performing professionally since she was 12 years old in her country of origin Mongolia in a pop band and gained extensive experience in the music industry for more than 20 years. In addition she graduated from a Music college in her country of origin, Mongolia. Currently working on her comeback album after almost a decade and a half in the hopes to further develop her music and performance career as a Singer and Producer. She recently started running her music label "Elik".

A singer graduated with BA (**Hons**) in Music Production. She started singing
