	Mark %
<u>First Marker's General Comments and Original Mark</u> A weak development model which does not contain any data interaction, limiting the potential success of the project with regard to the stated aims. The literature review contains irrelevant material and does not cover all essential areas. The evaluation, conclusions, and reflection sections are much stronger demonstrating critical reasoning skills.	57
<u>Second Marker's General Comments and Original Mark</u> Weak technical skills. A detailed and well written report.	58
<u>Comment After Consultation With Other Marker & Final Agreed Mark</u> Mark agreed	57
