Ex.1

Write a paraphrase of the following passage

Mike Erwin never envisioned himself as a social entrepreneur or activist. While he was no stranger to leadership positions, his primary experience had been in large, structured organisations. He thrived in the highly regimented program offered by the school. Later, Erwin excelled in his assignments in the Army, winning multiple awards and medals. However, the founding and growth of Team RWB had none of the characteristics of his previous endeavours. Erwin's enthusiasm and the organisation's mission caught on rapidly and Team RWB attracted media attention disproportionate to its size. Very quickly, the organisation grew beyond anything that Erwin had anticipated. Without any intention to do so, Erwin accidentally became an entrepreneur.

A decent 1st attempt. Some good use of the 'word class' method but you needed to use more synonyms and change the structure of the original.
