

DS 1 Assignment

My Screenshots / Photos

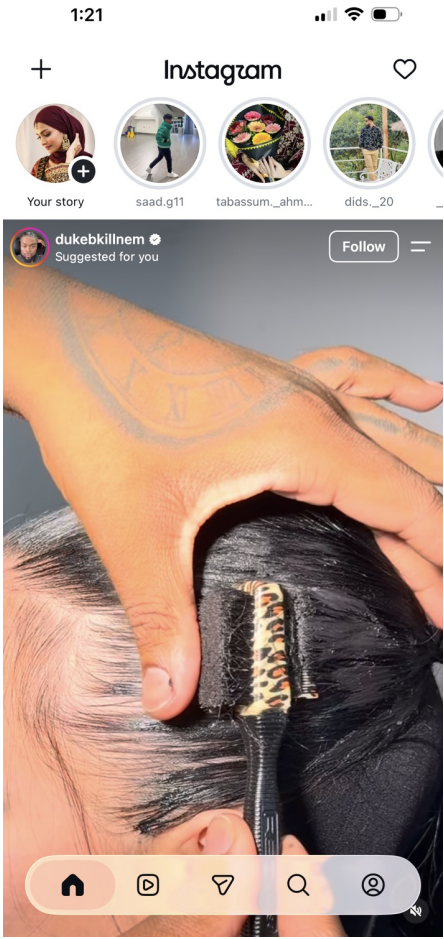

These screenshots show some of the digital tools I use in everyday life. Each screenshot has a short explanation.

Screenshot 1 — Facebook

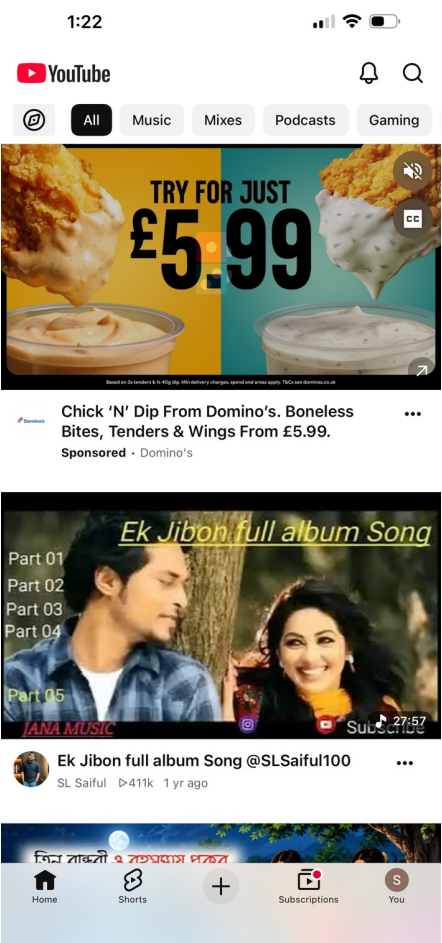

This screenshot shows my Facebook home page, including stories and posts shared by other people. I use Facebook to view updates and keep in touch with people.

Screenshot 2 — Instagram

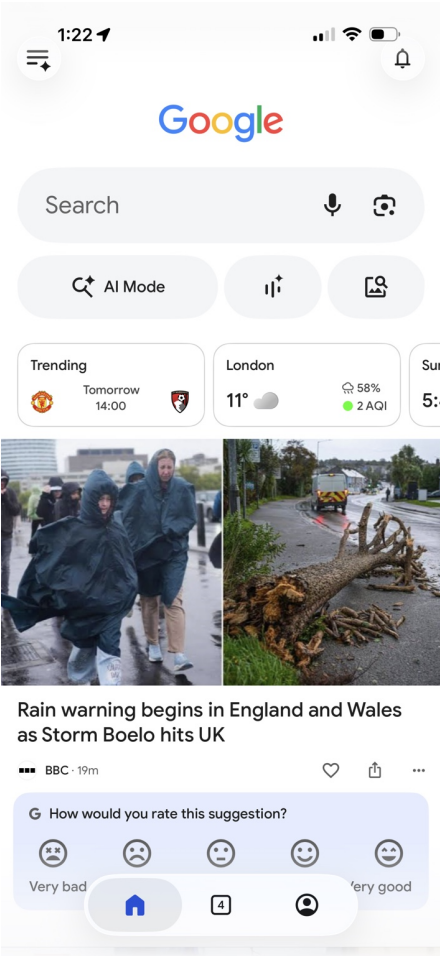

This screenshot shows my Instagram feed with stories and a video post. I use Instagram to watch videos and explore content shared by others.

Screenshot 3 — YouTube

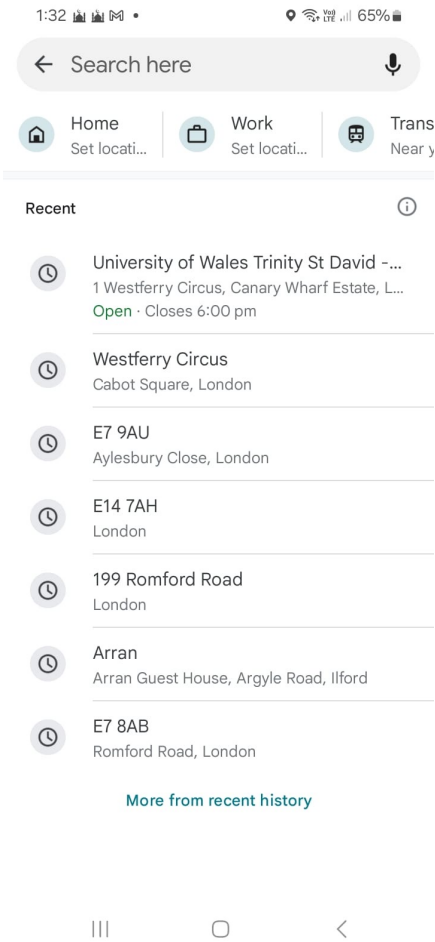

This screenshot shows my YouTube home page with videos. I use YouTube to watch videos for entertainment and to learn about different topics.

Screenshot 4 — Google app

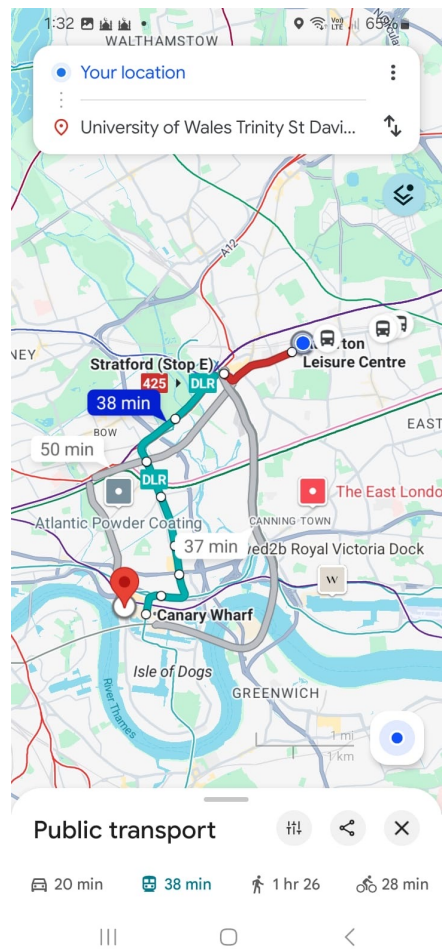

This screenshot shows the Google app home page, including the search bar and news updates. I use Google to search for information and read useful updates.

Screenshot 5 — Google Maps recent searches

This screenshot shows my recent searches in Google Maps, including places and locations in London. I use Google Maps to look up places I may need to visit.

Screenshot 6 — Google Maps public transport directions

This screenshot shows Google Maps public transport directions to a destination, with different route options and journey times. I use Google Maps to plan journeys and compare travel options.

My Short Reflection

- I use digital tools to communicate, watch videos, search for information, and find places.
- I feel confident when I use familiar apps on my phone.
- I want to improve my digital skills and learn to use online tools more effectively.
- I often use these tools: Facebook, Instagram, YouTube, Google, and Google Maps.
- I sometimes feel nervous when I have to use a new app or complete an online task.
- I hope this module will help me become more confident with digital technology.
- Digital skills are important for me because they help me with everyday tasks and planning journeys.

Submission Checklist

Before submitting, check each item:

- I added 4–6 screenshots.
- I wrote short sentences for each screenshot.
- I wrote my short reflection.
- I checked that the work is my own and the descriptions match my digital life.
- I checked that the PDF file opens correctly.

Please review the reflection before submission and change any sentence that does not match your own experience.
