

Students for the Monday and Tuesday of the leadership days, 2nd & 3rd of March

Please ensure you bring plenty of warm clothing, as discussed for this round of activities we will be coming back to a base after each activity so you will be able to access bags on the mini bus. Therefore you won't have to carry all you bring so can leave spare clothes and food on the mini bus.

As with last time please come to the business campus for 8am with the following equipment:

Waterproof jacket

Waterproof trousers (these need to be a separate shell to go over your normal trousers)

Footwear you don't mind getting very wet and muddy

Spare warm clothes such as fleece(s)

Warm hat and gloves (essential!)

Lunch and plenty of fluids to drink, including a flask if you like.

In terms of allocating students to the activity days I have given all those that were there in the session in the SA1 campus the day they asked for so all of you below requested the Monday and Tuesday, if circumstances change and you would prefer the Thurs & Fri then please let me know.

Any questions please get in touch – neil.hapgood@uwtsd.ac.uk

Many thanks

Neil
