PLEASE ANSWER TWO QUESTIONS

1. To what extent did the settlement of westerners in the Holy Land inspire new ways of thinking and behaving?
2. What role did the figure of Saladin play in the collapse of the Kingdom of Jerusalem in 1187?
3. Why was the Albigensian Crusade such a bitter conflict?
4. How united were the crusaders as a force?
5. To what extent can the Crusades be seen as part of a 'medieval expansion of Europe'?
6. The crusading legacy is often seen in a negative light. Is this assessment fair?
