Quantitative Research Methods

Week 4 – Survey in Action

DR HELEN LEE

Agenda

Recap

Approval of Ethical form (UWTSD)

Revisit your survey questions vs ROs

Upload your questionnaire onto the platform

Get an access link

RESEARCH
ETHICS

ETHICAL APPROVAL (PG2 Form)

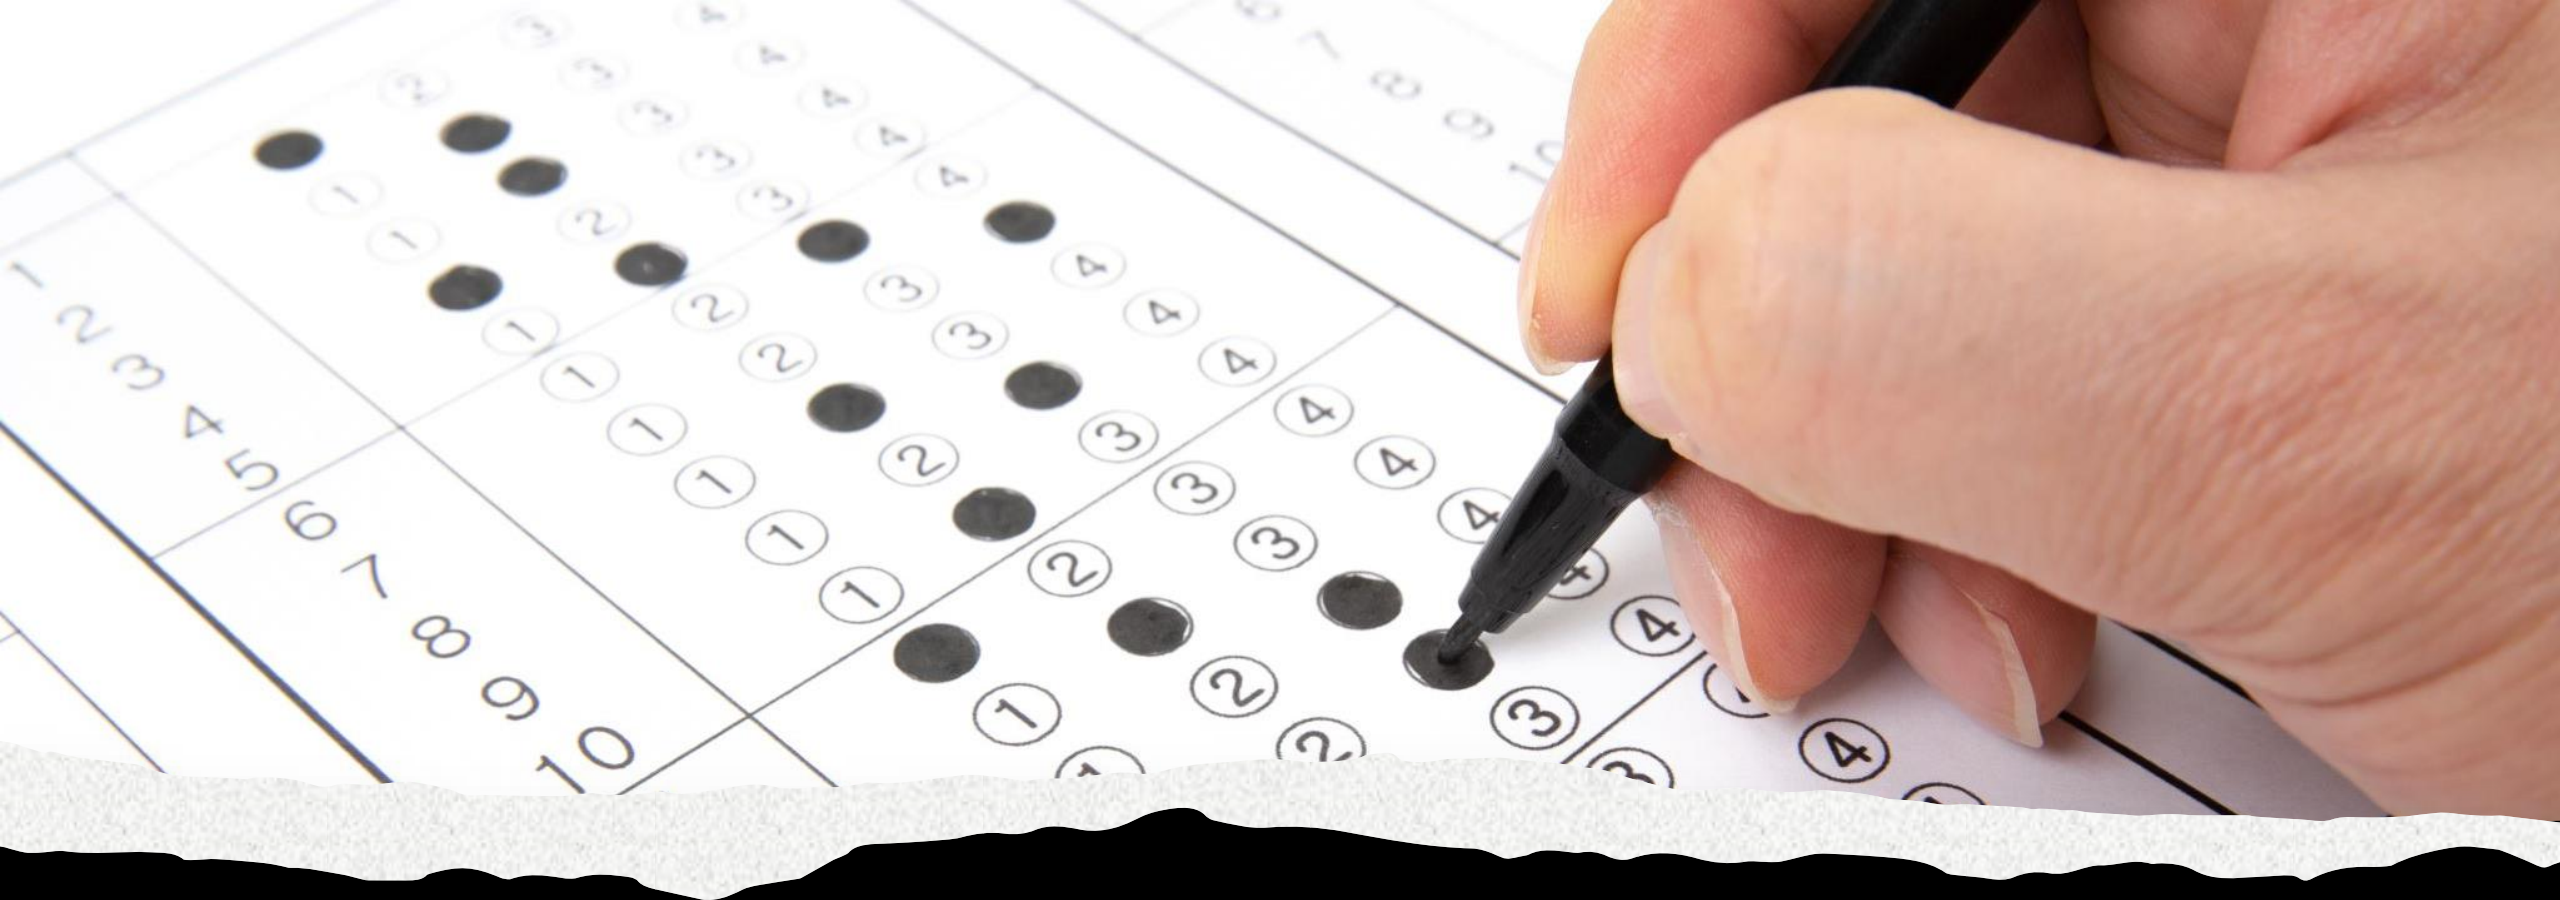

PG2 Form Participant Information Sheet (PIS)

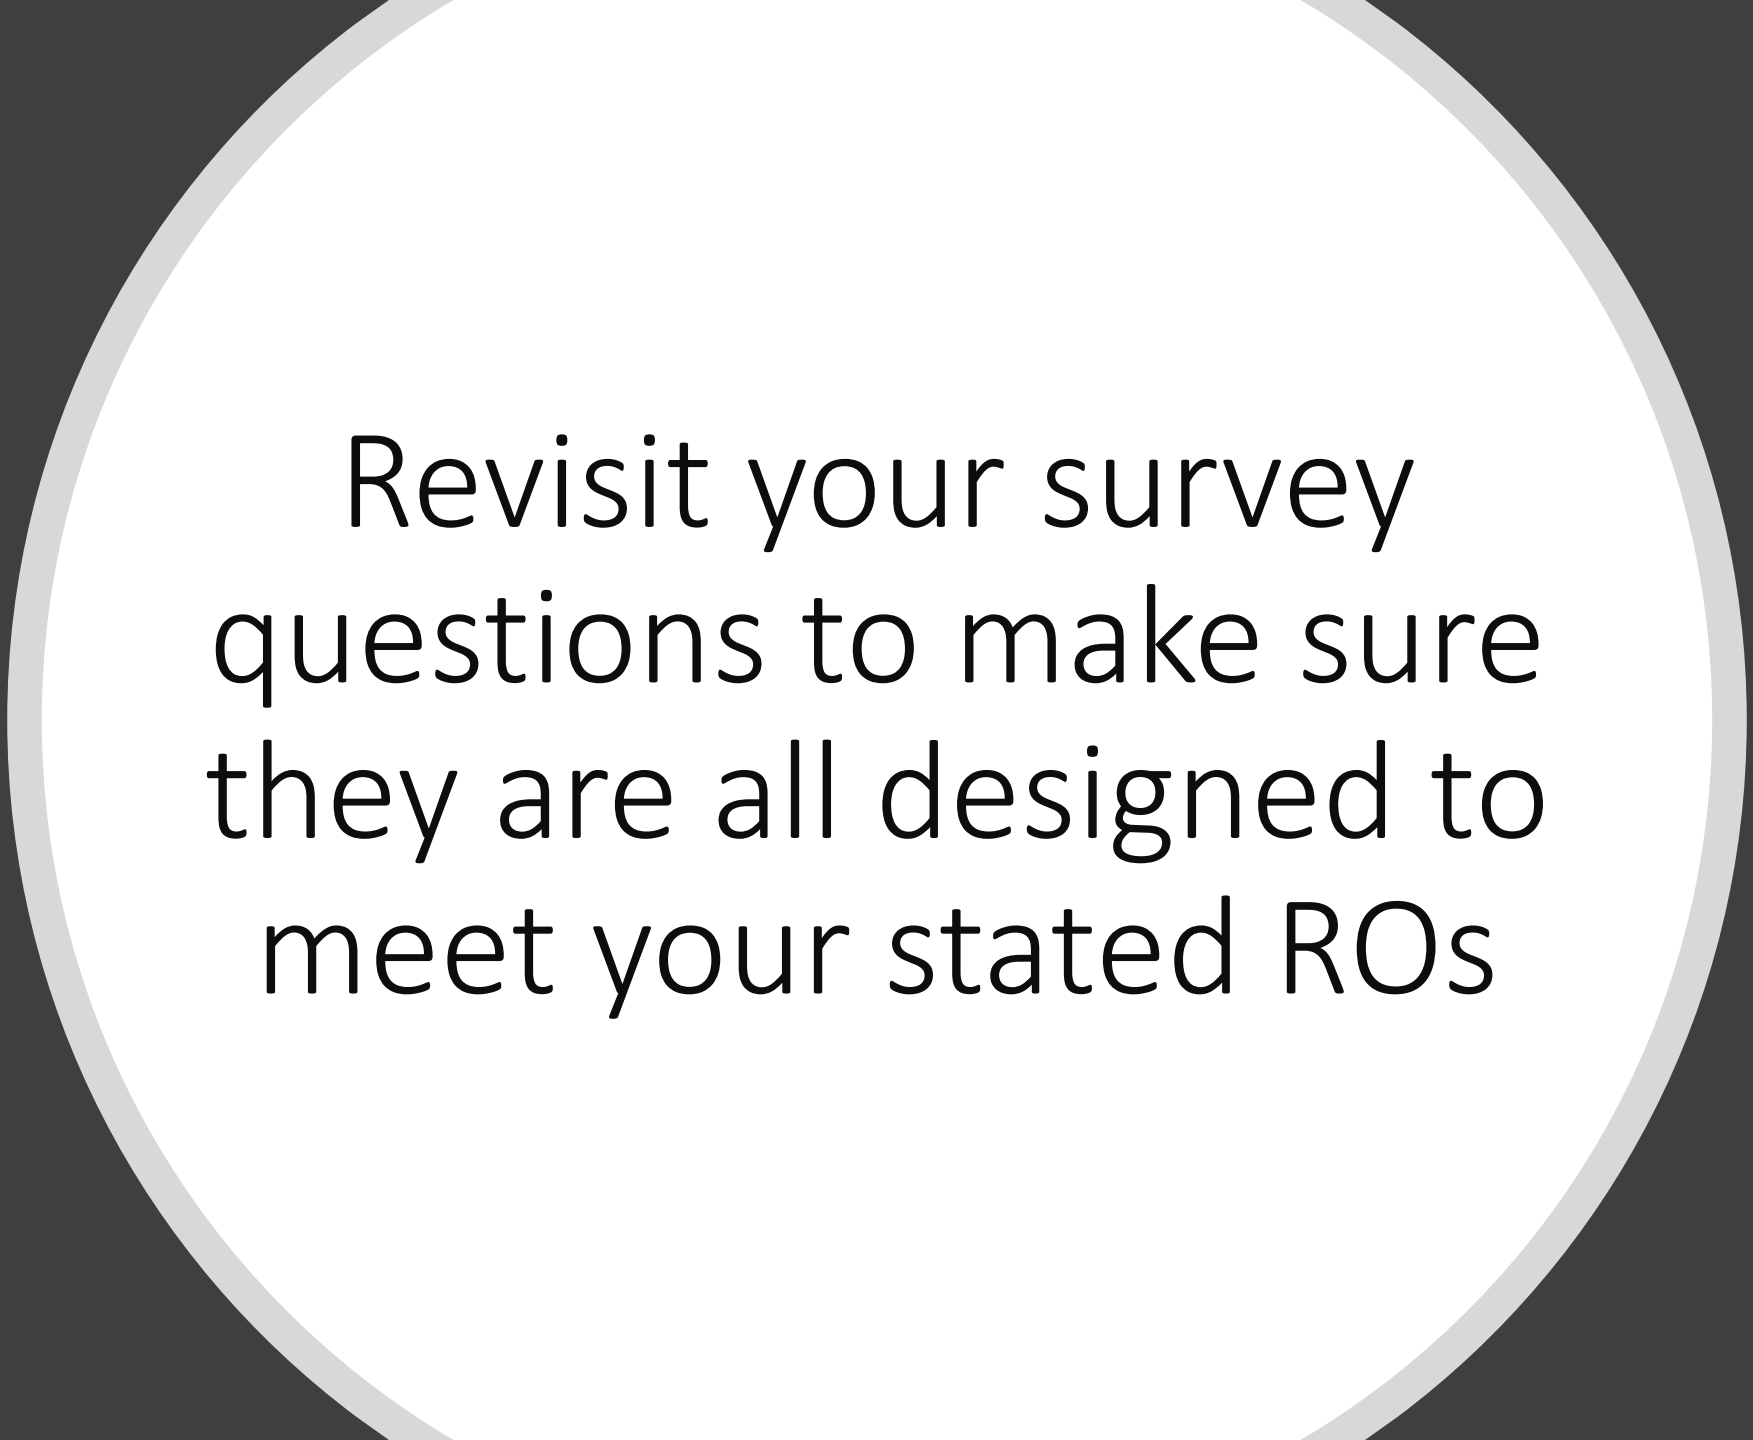

Ethical form approval
before primary data
collection

Questionnaire design

Revisit your survey
questions to make sure
they are all designed to
meet your stated ROs

Don't ask more than
required

Input your survey
questions to the
platform

Platforms for survey

qualtrics[®]XM

EU Approved Platform

A faint, light gray silhouette of the United Kingdom is visible in the background of the entire page.

Untitled form - Google Forms

Activity today

- If your ethical approval is sought, you may proceed to primary data collection.
- Please revisit your questions to ensure they are all designed to meet your stated learning outcomes
- Then, you may input your questions to the platform
- Once completed, get the access link and send it to your participants

Output

The access
link to your
questionnaire

And try to get
some
responses

Way forward

SPSS Practice next
week !
