

# ***GROUP PRESENTATION (EXAMPLE)***

**MODULE TITLE**

**Module code**

**ASSIGNMENT TITLE**

Student names/numbers

# INTRODUCTION

## Introduction

- Team members
- Team roles

# CONTENTS OF PRESENTATION

- Summary of idea (Pitch)
- Research
- Characters / Plot / other related details
- Purpose (How it relates to / raises awareness of the chosen topic)
- Communication Strategy (plus evidence)
- Future plans

# SUMMARY / 'PITCH'

Summary of idea (Pitch example)

## *'Tomb Raider: Legend'*

"A third-person action adventure (**Genre**) that finds archaeologist Lara Croft (**Main character**) searching the jungles of Bolivia to the mountains of Tibet (**key locations**) for the mysterious Ghalali key (Goal); an artifact which may be the key to finding Lara's own long-lost mother (**Motivation**)."

*Contributors: (Student name 1, Student name 4)*

# RESEARCH

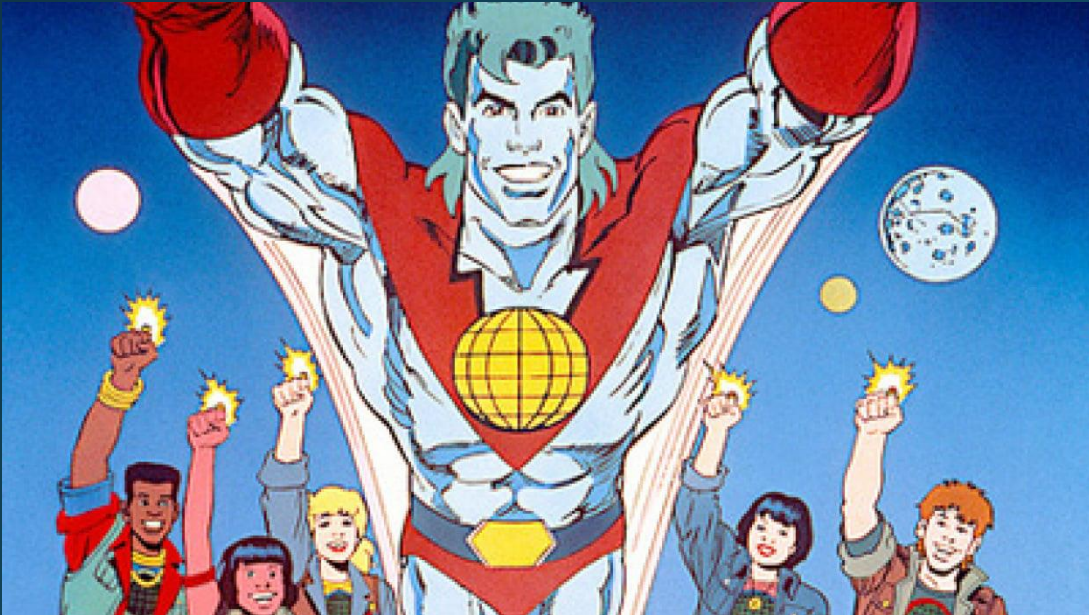

Provide key examples of research that have helped inform your idea and subject, e.g.:

“This is a subject that is particularly important in today’s society, because it affects everyone in the world in some form or another.” [1]

*Contributors: (Student name 2, Student name 4)*

# RESEARCH

Provide examples of research here and why these are relevant

*Contributors: (Student name 1, Student name 3)*

# RESEARCH

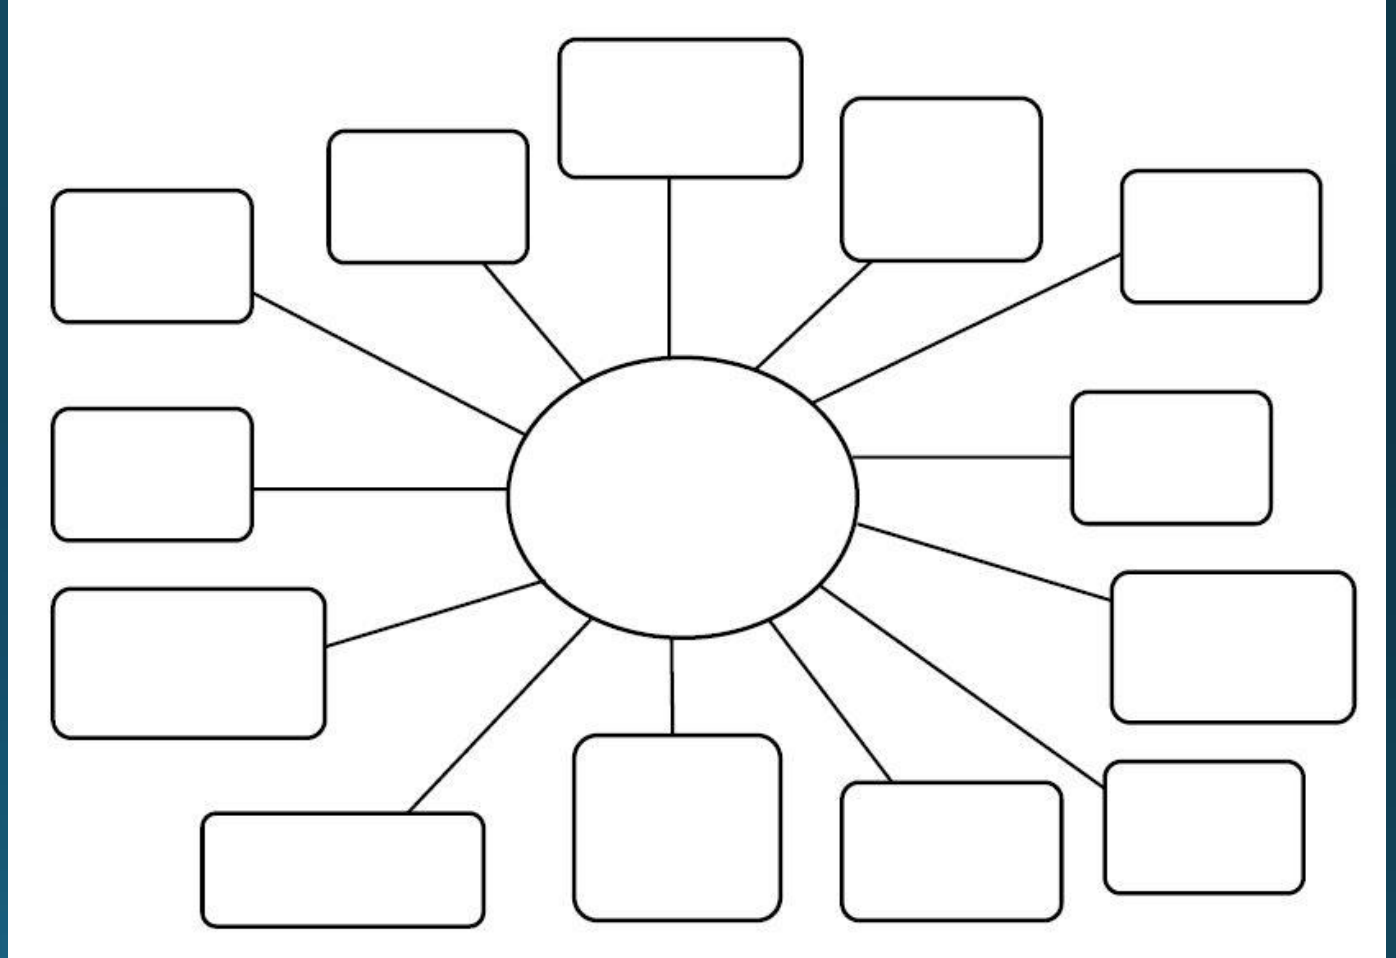

Provide examples of research here and why these are relevant

*Contributors: (Student name 2, Student name 4)*

# RESEARCH

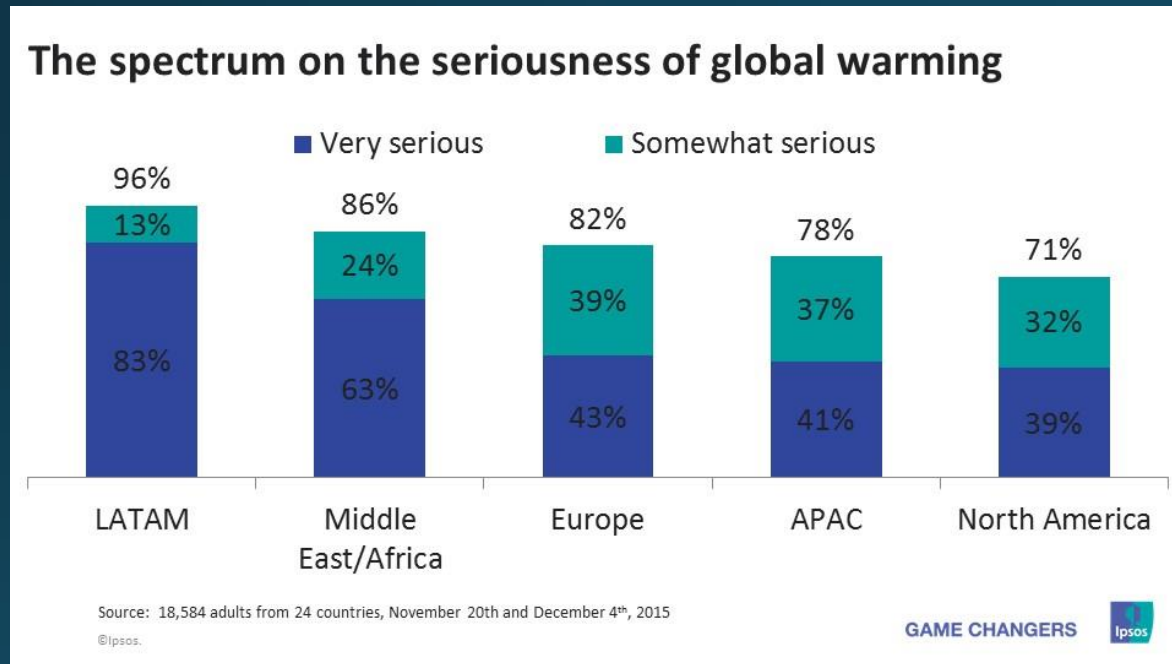

- Summary of ideas
- Important developments
- Group strategies for idea generation

*Contributors: (Student name 1, student name 2, student name 3, student name 4)*

# RESEARCH

Topical information, e.g. statistics: Make sure graphs are readable and statistics are relevant to your presentation.

*Contributors: (Include relevant student names here)*

# DETAILS

Plot or story synopsis (if relevant)

Goal / objectives for player

*Contributors: (Include relevant student names here)*

# DETAILS

## Character bio / info 1

- Name
- Role in story
- Brief description

*Contributors: (Include relevant student names here)*

# DETAILS

## Character bios / info 2

- Name
- Role in story
- Brief description

*Contributors: (Include relevant student names here)*

# DETAILS

Intended demographic

- Age
- Interests / hobbies
- Platforms (e.g Netflix, PS5, etc).

*Contributors: (Include relevant student names here)*

# PURPOSE

- How does the idea fit in with the core topic chosen?
- What elements / actions / objectives raise awareness of your core topic?
- What is the message you are trying to convey to your audience?

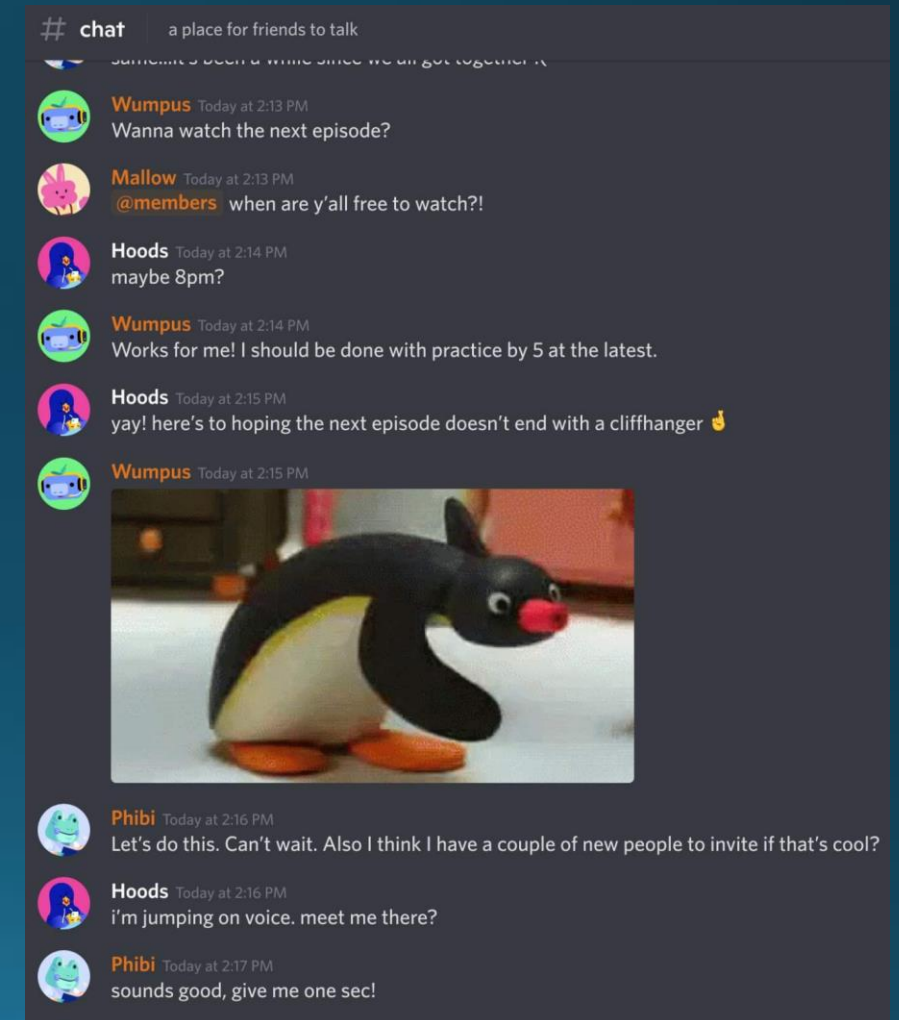

*Contributors: (Include relevant student names here)*

# COMMUNICATIONS STRATEGY

- How did the group stay in contact?
- Did it work well? If not, what alternatives might you suggest for future projects to improve this? (e.g. scheduled meetings, Gantt charts, milestone targets, etc.)

■

*Contributors: (Include relevant student names here)*

# FUTURE PLANS

Provide examples of ideas that you could take forward if the project were to increase in scope, such as:

- Supportive Educational documentation for schools/colleges
- A full series based on the success of the pilot
- Multiplayer modes or other ideas to increase engagement and longevity

*Contributors: (Include relevant student names here)*
