

Becoming a nursery teacher

Academic and Employability Skills, BMSW4001

Student: Nicoleta C Pagnejer

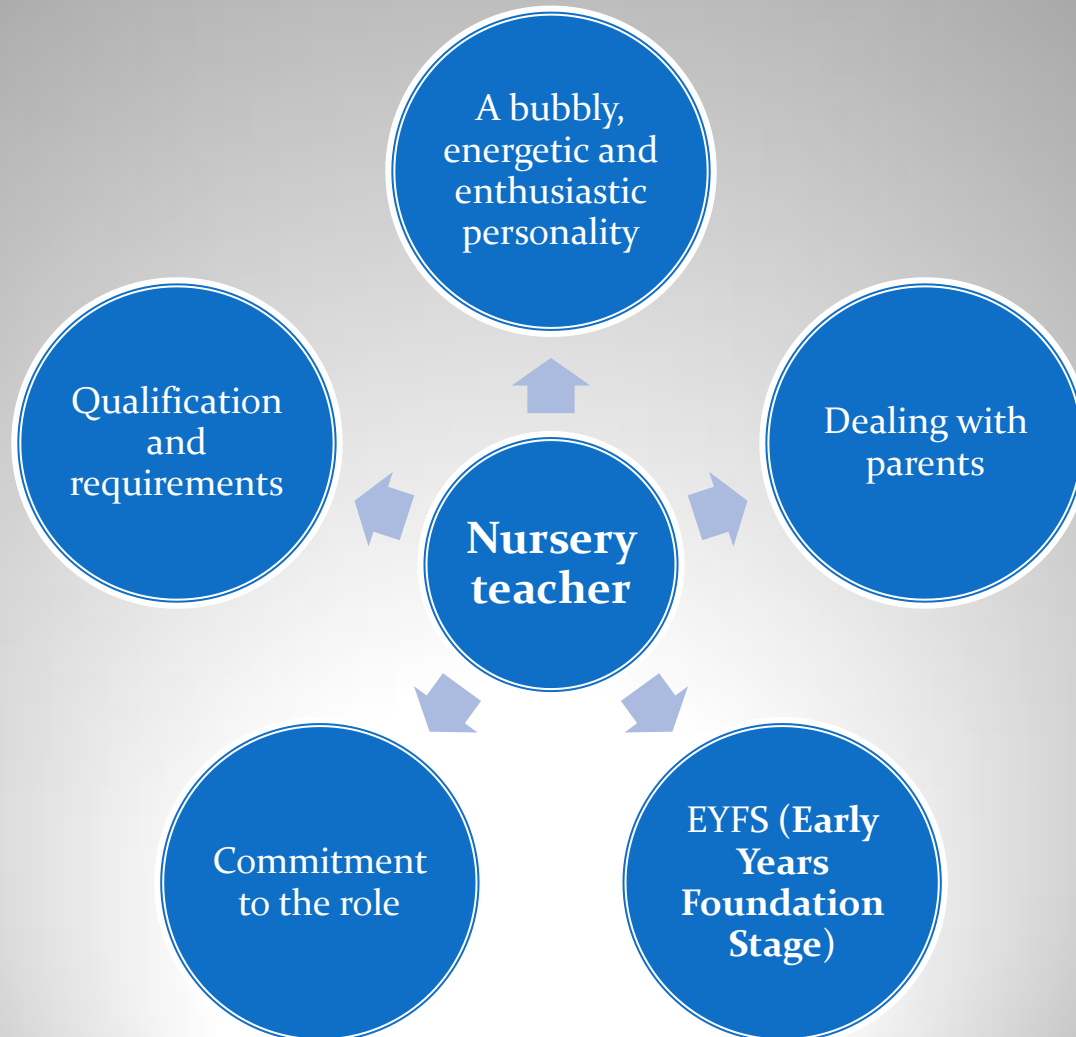

Student ID: 2009639

Lecturer : Barbara Chinyani

Introduction

In this presentation I would like to analyse my academic employability skills, my SWOT analysis and PDP in my future career in nursery teaching.

Skills for a nursery teacher

Nursery teacher skills

Learning environment

- Special care and calm
- Attentive
- DBS

Education

- Communication skills
- Effective and strong leadership

Stress management and coping skills

- Emotional stability
- Sharp appearance

MY SKILLS

Patient

- Energetic
- God and engaging personality

Flexible approach

- Organized
- Passion for teaching and children

DBS

- Self improvement

SWOT

My Strengths

- I have a passion for teaching
- I have good communication skills
- I have good analytical skills
- Leadership direction

My Weaknesses

- No relevant experience
- I have young children to take care of

My opportunities

- Many educational institute are open near me
- Use video games and visual effects at school to draw children's in computer science.

My threats

- Poor technical support in school
- Teachers attitudes to ever changing technology

PDP

My goal is:

To become a Nursery Teacher

Which goals need to happen first?

Finish my studies

When do I want to achieve this?

When I will finish my studies

What obstacles might get in my way

Being a mom for a 4 months boy

How can I improve my chance of meeting my goal

Having someone to help me with him

What type of support I need?

Academic support

Skills it can be something you have or you learn, which will help you on long term.

Skills can be achievable through work, study or actions I do in my on time.

If am able to recognise and talk about my skills, I will find it easier to work out what I want to do.

And when I will apply for jobs, they'll be the things that convince employers that I am the right person for the job.

What are skills and how they can help me in the world of work?

Conclusion
