Academic And Employability Skills

Introduction

- What we learnt and experienced with regards to new changes and aspects of daily life which was influenced by covid-19 recently, made us think about our future which leads towards a more academic point of view and how to base our future career on those observations.

Alvin Toffler said, "The illiterate of the 21st century will not be those who cannot read and write, but those who cannot LEARN, UNLEARN, and RELEARN."

(Toffler, 2019)
