Digwyddiad Cymuned Dysgu Gydol Oes Prifysgol Abertawe

Pryd | Dydd Mawrth, Gorffennaf 6, 2021, o 10am tan 2.30pm

Ble | Oriel Science, 21-22 Stryd y Castell, Abertawe SA1 5AE

Ym mis Gorffennaf eleni byddwn ni'n cynnal digwyddiad cyffrous am ddim yn Oriel Science, daflad carreg o Sgwâr y Castell yng nghanol tref Abertawe. Bydd ymwelwyr yn cael cyfle uniongyrchol i brofi'r arddangosfeydd rhyfeddol yn yr oriel, a bydd gwybodaeth am gyfleoedd dysgu pellach ar gael. Bydd yna hefyd gyfres o sesiynau i'w harchebu ar-lein, neu gallwch wneud hynny'n bersonol yn yr Oriel ar y diwrnod.

Mae Prifysgol Abertawe am rymuso a chefnogi pobl dros 21 oed sy'n byw yn Abertawe a De-orllewin Cymru i gymryd eu camau cyntaf tuag at astudio yn y brifysgol. Rydyn ni'n canolbwyntio ar ardaloedd y cafwyd eu bod yn ddifreintiedig o'u cymharu ag eraill, lle mae iechyd pobl yn aml yn waelach, eu tai yn annigonol, a chyfleoedd addysg neu gyfleoedd eraill yn cael eu colli. Rydyn ni hefyd yn troi'r sbotolau ar bobl sy'n gofalu am rywun arall, a beth gallwn ni ei wneud i helpu'r bobl hynny i ystyried dychwelyd i ddysgu ffurfiol.

Swansea University Lifelong Learning Community Event

When | Tuesday, July 6, 2021, from 10am to 2.30pm

Where | Oriel Science, 21-22 Castle Street, Swansea SA1 5AE

This July we are holding an exciting free event at Oriel Science in Swansea town centre steps away from Castle Square. Visitors will have the chance to experience the amazing hands on exhibits at the gallery. Information on further learning opportunities will be available. There will also be a series of sessions that can be booked either online, or in person at the Gallery on the day.

Swansea University want to empower and support people over the age of 21 living in Swansea and Southwest Wales onto their first steps towards university study. Our focus is on areas that have been found to be disadvantaged in comparison to others where people often have poorer health, inadequate housing, missed out in education or are losing out in other ways. We are also putting our spotlight on people who care for someone, and what we can do to help those to consider returning to formal learning.

Sessions:

Session 1 | Listen to Stories from Swansea's Past and Present | 10.30am to 11am

Session 2 | Cut Up Poetry Word Play | 11.30am to 12pm

Session 3 | Secrets of Mummification | 12.30pm to 1pm

Session 4 | Lego for Mindfulness | 1.30pm to 2pm

Places can be booked on Eventbrite
