Dear Sir/Madam,

I am writing to apply for the Care Assistant position I have seen advertised on homecare.co.uk. This position is of interest to me as I have extensive experience working with dementia residents from my time at Lima Home Care. I have experience of 1year working in that organization. I live locally to areas that your agency covers.

I hold a Level 3 as well as Level 4 qualification in Health and Social Care and am keen to work towards more qualifications. I am an empathetic person who uses initiative when dealing with vulnerable clients and works well in a team.

Thank you for taking the time to consider my application. I look forward to hearing from you soon.

Sincerely,

Hina Naim
