Advert Text

London Borough of Merton and excellent and fair employer that celebrates and values diversity. A place where you can be your best self at work, where you are listened to and supported to flourish and develop your career.

About the role:

- Merton is looking for a results-focussed professional to work within its 24 hour CCTV Control Room.
- The role will include lone-working, as well as working with colleagues. The candidate needs to be able to prioritize and adjust their work accordingly.
- CTV SIA licence is required for this role.
- The post is subject to DBS check.

About you:

The successful candidate will have experience of CCTV operations, partnership working and problem solving. The candidate will be required to work a 24 hour shift pattern that includes weekdays, weekends, day shifts and night shifts. The role includes shift allowance on top of the base salary.

Working within a fast-paced CCTV Control Room using analogue, digital and wireless cameras alongside CCTV colleagues and other

partners, you will be responsible for undertaking proactive CCTV patrols, responding to developing situations, capturing best possible evidence and liaising on a daily basis with police colleagues. Customer focus and results focus, as well as excellent communication skills, are key.

Prospective candidates should have experience of operating CCTV, liaising with police and partners, using police radio and producing evidence for use in criminal prosecutions.

What we offer

Please see our why work for us page on our website for more information about a great range of benefits that go beyond salary and offer flexibility to suit you.

We are situated in the Merton Civic Centre, opposite to Morden Underground Station which is on the Northern Line. We are also a 10 minutes' walk from Morden Road Tram Stop and both Morden South and South Merton Railway Stations.

We are also near Wimbledon which is part of The London Borough of Merton.
