About Me

Martha Rhys is a Welsh actress currently training at the Wales Academy of Voice and Dramatic Arts (WAVDA) in Cardiff.

Passionate about storytelling, Martha is drawn to complex, emotionally rich characters and thrives on bringing their journeys to life, both on stage and on screen. With a strong commitment to her craft and a natural curiosity for human behaviour, she enjoys exploring the depth and nuance within every role she takes on.

Alongside her training, Martha has spent the past two years performing with 'Y Cwmni', appearing in the innovative stage production 'Ceridwen' and the upcoming contemporary musical 'Calon' by Carol Parry Jones. Her industry experience also includes work placement with 'Cwmni Da', time on the set of 'Rownd a Rownd', and screen experience in 'Barriau'.

When she's not performing, Martha can often be found surfing with her family, playing guitar, or working as a cocktail waitress, experiences that continue to fuel her creativity, resilience, and love of connecting with people.
