Leadership Defined

The background features several overlapping geometric shapes, primarily diamonds and triangles, in teal, yellow, and green colors. These shapes are arranged in a way that creates a sense of movement and depth, with some shapes appearing to be layered on top of others. The colors are vibrant and the shapes are sharp, contributing to a modern and professional aesthetic.

“

Leadership is guiding people or
groups towards a common
objective or goal...

Leadership is...

- The process of social influence in which one person can enlist the aid and support of others in the accomplishment of a common task" (Chemers, 2002, p. 1).
- The process of getting people to do their best to achieve a desired result (Armstrong, 2009, p.17)
- the process of influencing the activities of an organized group in its efforts toward goal setting and goal achievement (Bass & Riggio, 2006, p. 3)
