

Brief of the Week - Emotionally Touching Song

Jamie Searls

To Jamie Searls

4 Mar

Write the most emotionally touching song you can, one that reaches into your heart and pulls out all the deepest love, insecurity, fear, sadness, loneliness, pain or joy and warmth that you feel for someone in your life. Looking for the strongest powerful lyrics, delicate melodies and a hook you can't get out of your head (to quote Kylie).

Deadline: [Monday 23 March](#).
