

# ADAM PAWLAK

LLanelli, Carmarthenshire SA15 3TA | 07397892140 | adampalak649@gmail.com

## Summary

I am extremely motivated to learning new skills and going into work. Meeting new people is something I am really passionate about. I am extremely adaptable with past experience in being able to work in fast paced environments. Enjoy working in stressful situations, being able to solve any problems that come along my way. I have a proven ability to be able to keep a workplace and myself clean and presentable.

## Experience

|                                                                                                                                                                                                                                                                                                                                   |                                                                |
