Application for FOOD & Beverage Supervisor

Dear Hiring Manager,

I am writing to express my interest in the Food & Beverage Supervisor position at the Hilton Birmingham Metropole. Although I am at the beginning of my professional journey, I bring strong motivation, excellent communication skills, and a genuine passion for delivering outstanding customer service. I am eager to grow within the hospitality industry and contribute positively to your team. During my time in school and through volunteer roles, I developed key skills that align well with the responsibilities of a supervisory position. I have experience supporting events, assisting with food service, and working collaboratively with others to ensure smooth operations. These experiences strengthened my ability to stay organized, remain calm under pressure, and communicate clearly with both guests and team members.

I am a fast learner with a strong work ethic, and I am confident in my ability to take direction, follow procedures, and maintain high standards of cleanliness and safety. I am enthusiastic about the opportunity to develop leadership skills and support your team in creating a welcoming and professional environment for guests.

I would welcome the chance to discuss how my positive attitude, reliability, and willingness to learn can contribute to the Hilton Birmingham Metropole. Thank you for considering my application. I look forward to joining your team.

Kind regards,
