Notes: No specific notes regarding the genre from the client, but according to the 2 reference songs, we feel that he's looking for 2 types of pop songs; one should be a slower tempo 'dream pop'-style song, the second is a faster tempo dance-pop song with a slightly edgier vibe.

Artist biography: Azora Chin is a Malaysian singer based in China. He used to be lead vocalist for the former boyband Nine Percent (which has recently disbanded). As one of the most popular idols from the group, he has amassed over 10 million followers on his Weibo account.
