

Sacred Geography Module HPCA7014 SEMESTER 1: OCTOBER 2026 – JANUARY 2027

**Discussion Tutorials are held on Wednesdays from
16:30-17:30 UK Time.**

Every week you will have lectures to watch (already on the Moodle page) and a tutorial based on the material from the lectures. There are eight tutorials in total, and some of these will also contain student presentations on particular topics.

**VIP: The tutorials are NOT recorded as they are
focused on discussion and questions coming from the students**

Orientation Week: 7 October 2026

This tutorial is recorded as we will talk about how the module works and the nature of the assignments.

Tutorial 1: What is Sacred Geography 14 Oct 2026

Tutorial 2: The Union of Earth and Sky 21 Oct 2026

Tutorial 3: Space and Place 28 Oct 2026
