The screenshot shows the UWTSD Library homepage. At the top, there's a navigation bar with the university logo, a 'Research Assistant BETA' button, and links for 'New Search', 'Online Resource Lists', 'Browse eJournals', 'Database Search', and 'Newspaper Search'. A 'Sign in' button and a 'Menu' dropdown are on the right. Below the navigation bar is a search bar with the text 'public health'. To the left of the search bar is a 'NEW FEATURE!' banner. Below the search bar are filters: 'All items', 'that contain my query words', and 'anywhere in the record'. A banner below the filters says 'Sign in to get complete results and to request items' with a 'Sign in' button and a 'DISMISS' button. The main content area shows search results for 'public health'. On the left, there's a sidebar with 'Tweak my results' options: 'Expand My Results' (toggle), 'Sort by' (Relevance), 'Availability' (Full Text Online, Peer-reviewed Journals, Open Access, Held by library), and 'Resource Type' (Articles, Reports, Magazine Articles, Review Articles, Reviews, Show More, Newspapers search). The search results list three items: 1. 'Public health.' (Journal, 1888; Elsevier; Print began with v. 1 (May 1888).), 2. 'Journal of public health dentistry.' (Journal, 1965; Wiley-Blackwell; Print began with vol. 25 in winter 1965.), and 3. 'Public health nutrition' (Book, edited on behalf of The Nutrition Society by Judith L. Buttriss, Ailsa A. Welch, John M. Kearney, Susan A. Lanham-New. Second edition.; 2017; John Wiley & Sons, Inc.). Each item has a pin icon to save it to favorites.

Online InfoSkills Programme

- Available to all students and staff at UWTSD via Moodle (Search Library InfoSkills, then click Enrol Me.)
- Online and free to access.
- Support in developing core Library skills which will help you in lectures and with assignments and will be especially useful as you move forward towards dissertation work.

The screenshot shows the 'Library Infoskills' Moodle course page. At the top, there's a navigation bar with links: Course, Settings, Participants, Grades, Reports, and More. Below this is the University of Wales logo and a '200 1822 - 2022' anniversary banner. A dark blue header bar reads 'Academic and InfoSkills'. The main content area describes the programme's purpose: 'Our Skills programme is designed to create opportunities for students to develop their transferable academic and information skills, facilitating both their academic success and employability. The curriculum covers a wide range of topics – from finding library resources to fake news to managing your online presence.' It also mentions that the team of Academic Liaison Librarians has developed a series of online Units. At the bottom, there are four tiles representing different skill areas: 'Finding and Using Information', 'Referencing', 'Copyright', and 'Researchers'. An 'Overall progress %' indicator shows 4 units completed.

Boolean Operators

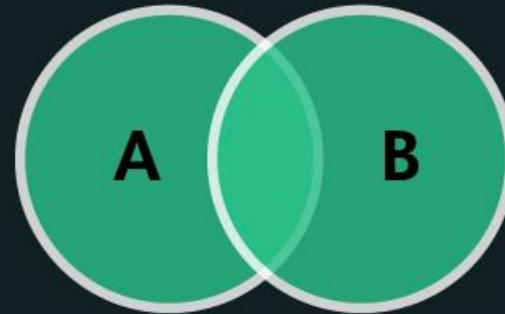

And

Only results that contain both keywords

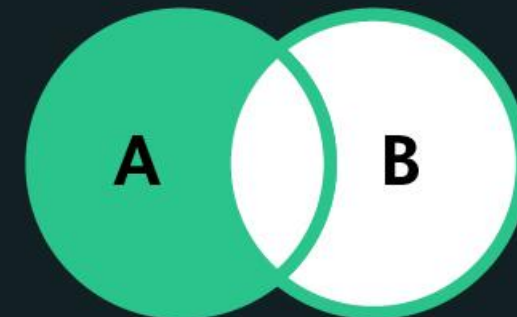

Or

Results containing keywords A or B

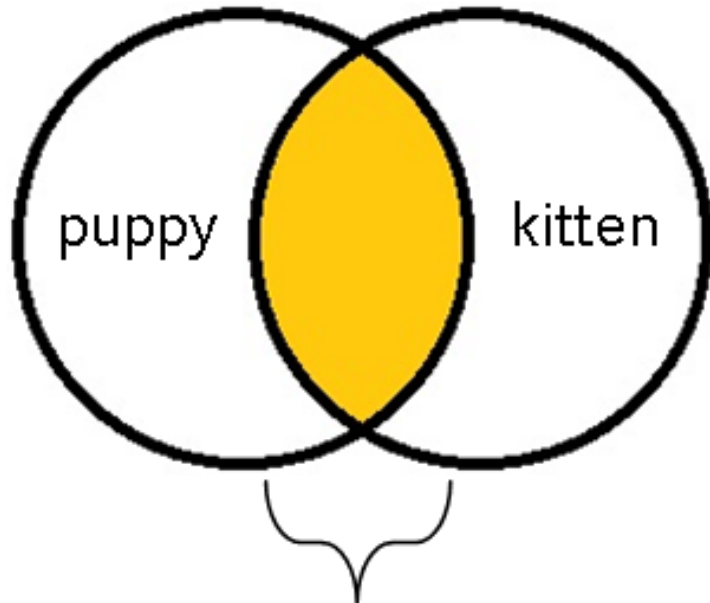

Not

Results containing keyword A, excluding any with keyword B

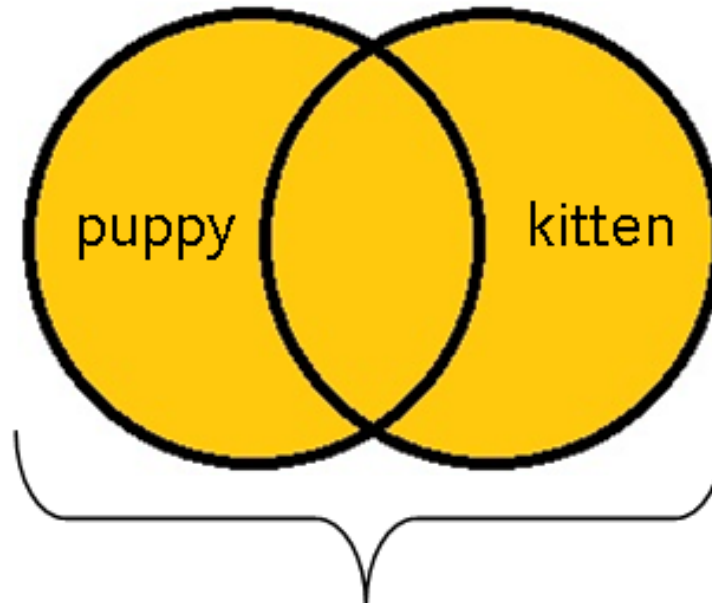

AND

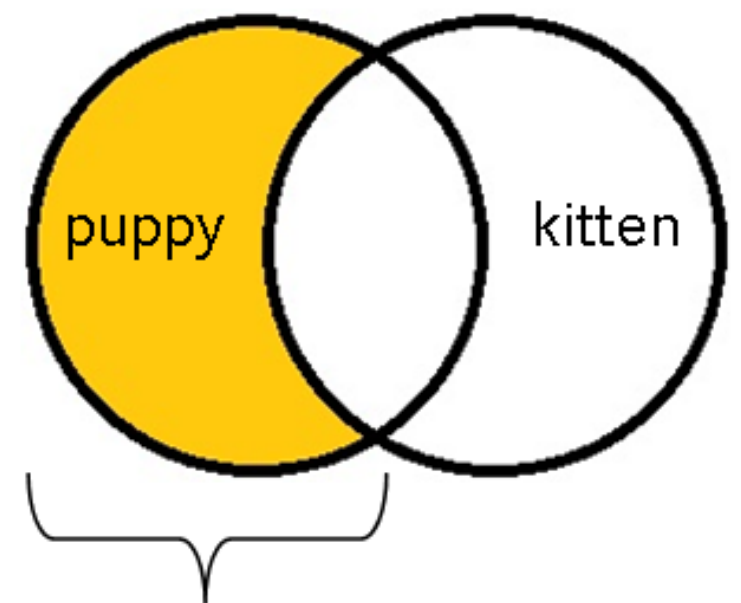

Both terms

OR

Either term

NOT

Just one term

Find exactly what you are looking for using these time-saving search boosters.

NARROWS	Boolean	Example	What it does
	AND	policy AND homelessness AND australia	Only locates resources containing all three keywords
	NOT -	vikings NOT "tv show" NOT "tv series" education -preschool	Eliminates information you do not want (Eg. locates resources about vikings, not the tv series)
	" "	"world health organisation" AND "immunisation rates"	Only locates resources with the exact phrase in "quotation marks"
	TO	"birth rates" 1970 TO 1980	Locates resources within a specific date, measurement, or range (very useful for historical and statistical data)
	site:	"food scarcity" AND estonia site:edu	Locates resources only from URLs ending in .edu
EXPANDS	OR	sustainability OR conservation	Locates resources containing at least one of the keywords
	~	diwali ~desserts	Locates resources with synonyms for the search term, E.g. pudding, cake, sweets
	?	wom?n AND organi?ation AND defen?e	Wildcards (? ! \$) substitute a symbol for one letter of a word, locates resources with different spellings (Eg. American vs Australian)
HONES	*	genetic* AND child*	Truncation locates resources containing all words beginning with the root word (Eg. genetics, geneticist, genetically AND childhood, children, child)
	()	("population growth" AND taiwan) AND health OR medicine	Nesting locates the most relevant information first by putting greater emphasis on the terms in brackets (Just like Order of Operations in mathematics)
	^	"game addiction" AND adolescent* AND ("mental health"^5)	Weighting puts particular emphasis on one term over another in your search, prioritising the weighted term over the other search terms in the string.

REMINDER - Cite Them Right

- Cite Them Right is the most important tool you can use when Referencing.
- It is the tool that all students and staff use when Referencing.
- You need to refresh your memory on how to use this tool as it becomes more important as you work through Level 5 and 6.
