SUSPECT:	
You have committed the offence of Cannabis possession and you have admitted simple possession for your own personal use. As part of a Community Resolution which is an informal Out of Court DISPOSAL, I am now going to offer you the choice to attend and successfully complete an online/classroom-based Drug Educational course at a cost to you of £60. You will receive booking instructions from Gwent/South Wales Police and it is then your responsibility to contact and book a place within 14 days and complete the course within 12 weeks. Upon completion, no further action will be taken and you will not receive a criminal record for this offence and It will not appear on a DBS check, but I must tell you that your details will be kept on our database showing you have committed this offence and should you be found in possession of Cannabis again you may be liable to arrest.	

If you decline to accept attendance at the Drug Education Course you will be given an appointment to attend a police station or if necessary you could be arrested. You will receive an opportunity to accept a Conditional Caution which will appear on a DBS check and Police National Computer and will form part of a criminal record.
