Excellent work. The sources referred to the work are adequate. Required materials used to complete each task. Key concepts (possible security breaches, threats, vulnerabilities, attacks, .meds) discussed adequately. The report is well associated with the scenario given. Adequate literatures referred to the work. Summaries on the literatures and Critical appraisals on the literatures could have added more value to the	13

Knowledge and Understanding Skills	15
Feedback	Mark
Security breaches were discussed in detail. The threats and attacks could have been related to the scenario given. The strength of the statements are very good. Necessary evidences provided. The structure and quality of the report is excellent. Chapters/ Heading could have been named and numbered.	13.9

Cognitive and Intellectual Skills	20
Feedback	Mark
The guidelines for staff and customers is discussed appropriately. Could have referred/ cited to similar organisations security policy or literatures/ whitepapers available. Could have referred to more industry specific policies and its guidelines. The organisation of ideas and evidence are excellent. The analysis of the scenario and its outcomes are good.	17.2

Practical Application Skills	40
Feedback	Mark
Packet Tracer done. Adequate details provided in the Topology diagram. Topology implemented well and appropriately configured. Excellent work. Wireless connectivity done. Instead of providing suggestions on security aspects in Conclusion part, it could have been added as another chapter/ sub-topic. Conclusion should be written for the entire task.	40

Transferable Skills for Life and Professional Practice	10
Feedback	Mark
Flow of ideas are excellent Could have added abbreviations/ definitions of technical terms used in the report.	9.5
Overall Mark	94
