1

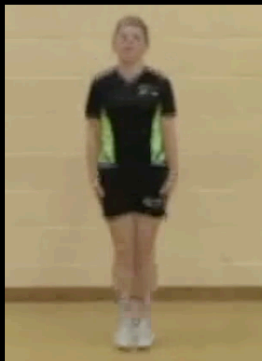

SINGLE JUMPING JACKS

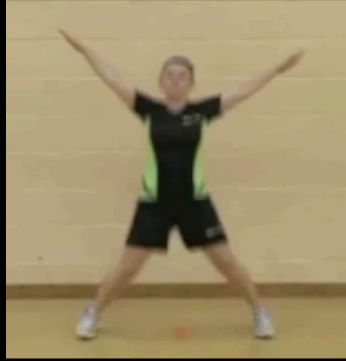

DIFFICULTY

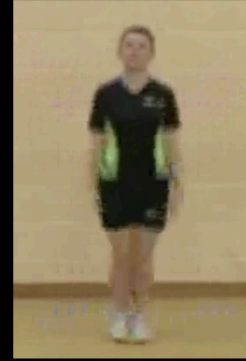

1

- Start with both feet together and hands by your side

- Jump so that your feet land slightly further than shoulder width apart
- At the same time move your arms away from your body to form a start shape

- Jump to return to your original position
- Repeat the movement for the desired number of repetitions

DOUBLE JUMPING JACKS

DIFFICULTY

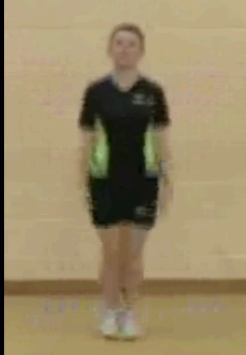

2

- Start with both feet together and hands by your side

- Perform a double jump landing with feet slightly further than shoulder width apart after the second
- At the same time move your arms away from your body to form a start shape

- Perform a double jump before returning to your original position
- Repeat the movement for the desired number of repetitions

SPOTTY DOGS

DIFFICULTY

3

- Start with your right foot in front of your left
- Place your left arm in front of you and your right arm behind (opposite to feet)

- In one movement hop so that your left foot goes in front of you and your right foot behind
- At the same time alternate your arms also

- Repeat the movement in a continuous fashion
- Perform the desired number of repetitions

ALTERNATE HEEL TO BUM - WALKING

DIFFICULTY

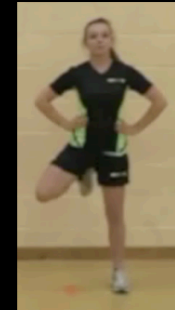

4 ● ● ● ●

- Start with feet slightly further than shoulder width apart
- Place your hands on your hips

- Rock onto your right foot
- As you place your weight on your right foot, bend your left knee so that your heel moves towards your glutes

- In a fluid motion rock back onto your left foot and bend your right knee so that your heel moves towards your glutes
- Repeat for the desired number of repetitions
