

Student name: Shahanara Bibi

Student ID: 2116667

Programme: BSc Health and Social Care

Module: Living with Care: The Older Person

Module Code: BMHP6009

Lecturer: Rebecca Stewart

Assignment Title: Component 1 Debate and Presentation and Supporting Paper

Monday 19th February 2024

“Remaining in your own home is the best for everyone”

Definition of Domiciliary Care

- **Domiciliary care is home care where services are put in place to support the older person in their own homes.**

Definition of Residential Care

- **Residential care means long-term care provided in a care home. It is for people who need substantial care with personal needs.**

Domiciliary care

- Safety concern
- Isolation
- Inadequate accessibility (wheelchair access)
- burnout

Residential care

- Family members
- Routine
- No freedom

Funding

- Self-funding
- Local Authority funding
- NHS funding

Legislation

Care Act 2014

Mental Capacity Act 2005

Human Rights Act 1998

End-of-life palliative care

- Holistic approach
- Pain and support management
- Psychosocial support

Gap

- Financial means
- Relationships
- Growing population
