SAMPLE PARTICIPANT INFORMATION SHEET

TEITL Y PROSIECT: / PROJECT TITLE: Energy drink consumption amongst key stage 3 pupils

***THIS FORM IS TO BE AMENDED AND ADAPTED AS NECESSARY**

Dear Participant:

My name is Dylan Ward and I am studying at the University of Wales Trinity St David's

I would like to invite you to participate in my research project. This project aims to find out how many pupils at key stage 3 in schools consume energy drinks

*Attached to this letter is a short questionnaire developed by myself which will assess how many pupils in year 7 consume energy drinks. I believe your opinions will be extremely helpful to me.

Through your participation in the questionnaire and/or interviews, I hope to gather the information I need.

All questionnaires will be kept strictly confidential to the researchers involved and at **NO** time will individual questionnaires be released to the general public. This gives you a chance to express your views on your programme a confidential and anonymous forum and still be able to make a difference. Your participation in this study is completely voluntary so you can withdraw from the questionnaire at any stage.

Our questionnaire should take about 5 minutes to complete, but there is no time constraint. There are also no right or wrong answers. Attached to this letter along with the questionnaire is a consent form (e.g. an instruction sheet / a consent form /a feedback sheet). As this is a new project, your feedback is also important to us and we would be much obliged if you could also complete the feedback sheet along with the questionnaire. We understand that your time is at a premium but your opinions are very valuable to us.

After careful and precise analysis of the data obtained from this questionnaire, I will be happy to provide you with a copy of the findings at your request. The results of this questionnaire will hopefully enhance my understanding of energy drink consumption amongst school pupils and will be stored on UWTSD computers. The results of the research will be fed back to Research project Co-ordinator

We thank you in advance for your time and participation. If any questions do arise, feel free to contact me at your convenience.
