

We're currently looking for 2 companions to join our team:

Project Co-ordinator, Cymbrogi Base Camp 2020 (#sustainablefutures #betterlearning)

- **A part-time volunteer role** to help us develop, co-ordinate and launch our inaugural Base camp next summer (probably late August) Would suit someone looking for a truly innovative and adventurous project as part of college or work experience.
- **Skills:** organisational, communication, planning, creative problem solver, knowledge of education and/or sustainability a bonus.
- **Mindset:** motivated, enthusiastic, creative, shares values and mission
- **Location:** anywhere, but must be willing to travel. Bonus if you're Wales-based!
- **Project duration:** October 2019-Aug 2020; Hours: flexible/negotiable
- **Key tasks:** sponsorship, partner co-ordination, design/development of programme content & materials, managing costs/budget.
- **Remuneration:** Dependent on sponsorship secured. Plus travel expenses

Project Director/Partner

We are also looking for someone with experience and energy to help us build our social enterprise. When we grow up, we want to be a B-Corp member. But first we have work to do. We need someone with vision and passion to help us deliver on our mission.

- **Possibly** you're an educator or entrepreneur looking for a fresh challenge
- **Certainly** you're someone who brings strategic thinking and organisational discipline to the table
- **Probably** you're someone with experience in sustainability or experiential learning
- **Ideally** you have smart ideas about how to build a viable business
- **Most likely**, you're someone who is more at ease working flexibly than in an office
- **Hopefully**, you'll fall in love with the idea, us, and the site....:-)

If any of this interests you, please get in touch with liza@cymbrogi.org or at 07734003477. See more of us at <https://www.cymbrogi.org.uk>
