

CV AUTO MECHANIC

1. Job Advertisement (Indeed – London)

Position: Auto Mechanic

Location: London, UK

Company: RapidFix Auto Service

Type: Full-time, permanent

Salary: £28,000 – £33,000 per year

Job Description:

RapidFix Auto Service, a busy and well-established car repair workshop in London, is looking for a skilled and motivated Auto Mechanic to join our professional team. The successful candidate will perform maintenance, repairs, and diagnostics on a wide range of vehicles, ensuring top-quality service and customer satisfaction.

Responsibilities:

- * Inspect, diagnose, and repair vehicle systems and components.
- * Identify mechanical problems using diagnostic tools and equipment.
- * Ensure all repairs meet safety and quality standards.
- * Communicate effectively with customers and team members.

Requirements:

- * NVQ Level 3 in Vehicle Maintenance and Repair or equivalent qualification.
- * Proven experience as an auto mechanic or technician.
- * Strong understanding of modern vehicle systems and diagnostics.
- * Excellent problem-solving skills and attention to detail.
- * Full UK driving licence preferred.
- * Ability to work independently and as part of a team.

2. CV – Auto Mechanic

Profile:

Reliable and technically skilled Auto Mechanic with hands-on experience in diagnostics, repair, and maintenance of a variety of vehicles. Dedicated to delivering high-quality service, ensuring safety standards, and maintaining excellent customer relationships. Strong team player with solid communication and problem-solving skills.

Key Skills:

- * Vehicle maintenance and diagnostics
- * Engine and brake repair
- * Electrical and mechanical troubleshooting
- * Workshop safety and organisation
- * Customer service and communication

Education:

- * NVQ Level 3 Diploma in Vehicle Maintenance and Repair – London Technical College (2022)

Experience:

Auto Mechanic – RapidFix Auto Service, London (2022–Present)

- * Perform regular servicing and mechanical repairs on petrol and diesel vehicles.
- * Diagnose complex mechanical issues and perform repairs to manufacturer standards.

Apprentice Mechanic – City Garage, London (2020–2022)

- * Supported senior mechanics with diagnostics and repairs.
- * Learned to use diagnostic tools and developed technical skills in vehicle systems.

3. Cover Letter – Auto Mechanic

Dear Hiring Manager,

I am writing to express my interest in the Auto Mechanic position at RapidFix Auto Service in London. I am a qualified mechanic with a strong background in vehicle diagnostics, maintenance, and repair. My training and experience have given me the ability to identify and resolve complex mechanical issues quickly and efficiently.

At my current position, I am responsible for diagnosing and repairing a wide range of vehicles while maintaining a high standard of safety and quality. I take pride in my attention to detail, organisation, and commitment to customer satisfaction. I also enjoy working as part of a professional team where communication and reliability are key.

I believe that my technical knowledge, enthusiasm, and work ethic would make me a valuable member of your team. I would be pleased to discuss my qualifications further in an interview.

Thank you for your time and consideration.

Kind regards,

Denis Tudor
