M6X01898 Assessment 2: Preproduction and Self Reflection

Putri

Dr Brett Aggersberg

The following feedback and marks have been produced using the detailed Assesment Criteria provided on the department Moodle page. This section details the extent to which the assessment criteria are demonstrated by you, which in turn determines your mark. Lecturers will use the space provided to comment on the achievement of the assessment, including those areas in which you have performed well and areas that would benefit from development/improvement.

Engagement with Literature	85
Exceptional engagement with an extensive range of relevant and credible primary/ secondary sources, informed by the latest research. High-level referencing skills consistently and professionally applied.	
Knowledge and Understanding	78
Excellent coherent and detailed knowledge and systematic understanding of the principles and theories of current research and scholarship. Clear awareness of challenges to established views and the limitations of the knowledge base.	
Cognitive and Intellectual Skills	78
Excellent critical thinking, analysis, synthesis and evaluation. Ability to investigate contradictory or incomplete information and make strong, persuasive, arguments and sophisticated judgements. Some evidence of independent thought and ability to 'see beyond the question', suggesting a grasp of the broader field and wider concepts.	
Practical Skills	74
An advanced application of a range of methods, materials, tools and/or techniques. The context of the application is well considered, and insightful. Application and deployment extend beyond established conventions. Can identify complex problems and propose excellent solutions. Innovation and creativity evident.	
Transferable Skills for Life and Professional Practice	80
Can communicate with an exceptionally high level of professionalism. Work is exceptionally coherent, very fluent and is presented professionally. Can work exceptionally well and professionally within a team, showing advanced leadership skills. Demonstrates exceptional graduate employment skills and an appetite for further development.	
Identify and critically evaluate an intellectually challenging idea that would be appropriate for their Major Project	82
You have identified an excellent project which is both personally and appropriate to a third year film project. Your folder demonstrates a very good attention to detail and the presentation is very considered.	
Communicate effectively the research areas, design solutions, technical requirements, and overall specification relevant to their Major Project idea, using contemporary methods and techniques	83
You have engaged very well with the film preproduction process. The portfolio does well to rationalise on your decision making. Your research is relevant and should prove useful during filming and editing. Your film research is also original and contemporary. There is a considerable amount of selfreflection and engagement with the process for this assessment. Your objectives are clear and you have demonstrated your ability to learn and adapt. This will be a very beneficial project.
