The screenshot displays the Microsoft PowerPoint application window. At the top, the 'Record' tab is active in the ribbon, showing options like 'From Beginning', 'From Current Slide', 'Rehearse with Coach', 'Set Up Slide Show', 'Hide Slide', 'Rehearse Timings', and 'Record'. The 'Record' dropdown menu is open, showing 'Keep Slides Updated', 'Use Timings', 'Play Narrations', and 'Show Media C'. Below the ribbon, a presentation slide is visible with a hexagonal pattern background. The slide contains the text: 'Use the 'Record' menu to add your audio to each slide by recording 'From Current Slide''. Below this text, it says: 'You can choose whether or not to add a video of yourself as well using the 'Cameo' option'. A small circular video feed of a person is visible in the bottom right corner of the slide. The bottom of the window shows the status bar with 'Slide 3 of 15' and a color palette.

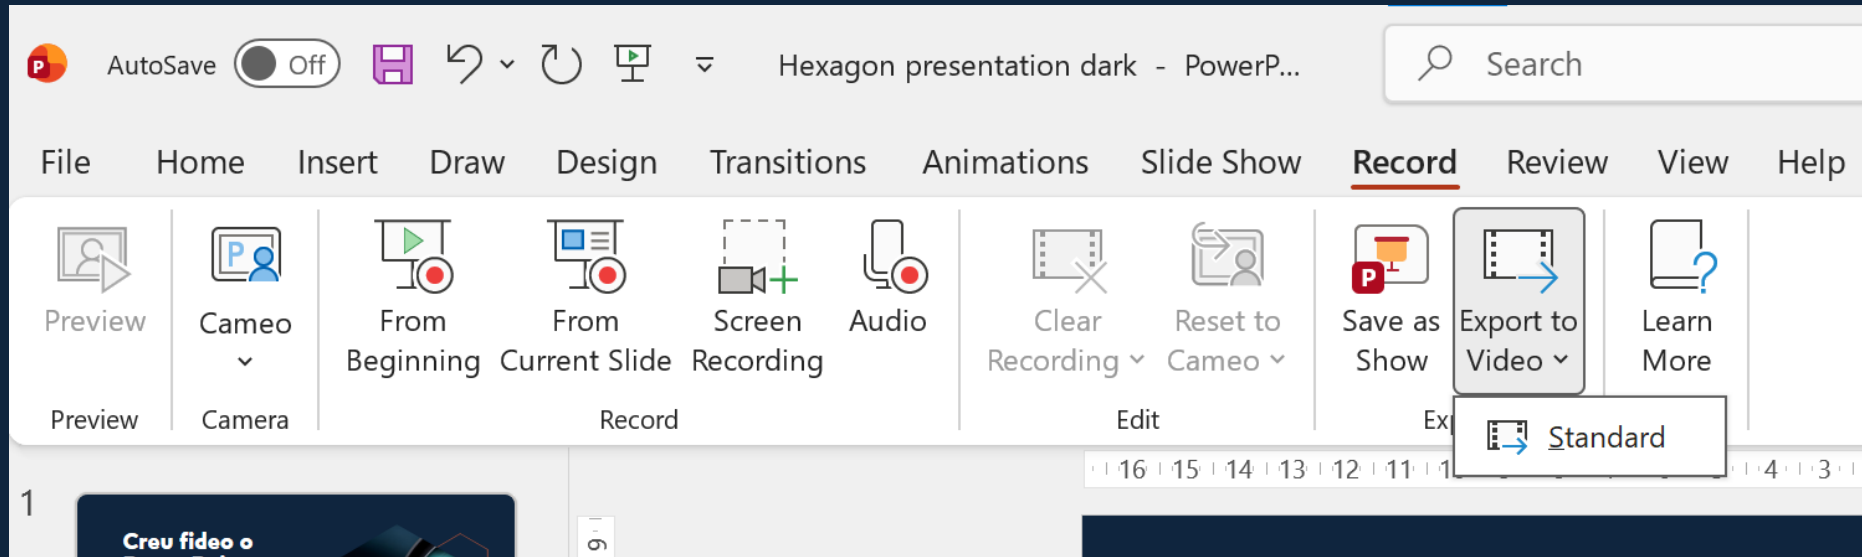

• Add notes or a script to help you land your message clearly.
