SUSTAINABLE

ETHICAL CONNECTED TRAINING

This is where I introduce you to Ffrindiau'r Goedwig- Friends of the forest.

We are a forest school open to children from 3.5-12years with all different kinds of needs.

As my slogan says, my aim is to bring children back to nature.

HAVE I HAVEN'T I?

As I write this I am preparing for my 1st CIW registration that will enable me to open longer hours to benefit children.

- After completing my NQT year I will be leaving mainstream school and will be working full time at the Goedwig, where I will be offering Home Ed sessions, school trips and holiday clubs.
- And no doubt after completing the NQT I will also be back to complete my masters degree with the UWTSD family.
