

Encourage - To talk about what they do in the day.

questions - require longer answers not just 'yes' and 'no'

Read / Talk - Read together and talk about it in a group.

Learn / Listen - Encourage new words and listen attentively. - Harder Language

Language Development

Start them young

- recognise pictures in books
- Talking to them in the womb
- Reading them books.

Emotions

- How they feel
- What they need

Can-do-kids

- Talk about what they can do
- What is important and interesting to them
- Listen to others

Reading is so important

Repeat - book they have listened to. Rhymes

Sing - Songs to learn certain aspects (story)

Look / read - books, recognising pictures

Describe - How they are feeling

Talk - what's happening, different events

Self Control Skills

encourage children when they're behaving well

positive behaviour even is when nobody is watching

patience

Waiting not insisting immediately

Understand

behaviour

Consequences

Self control skills are developed in early life.

Good discipline
↳ consequences

Self control starts in the home
↳ parents have influence + set patterns.

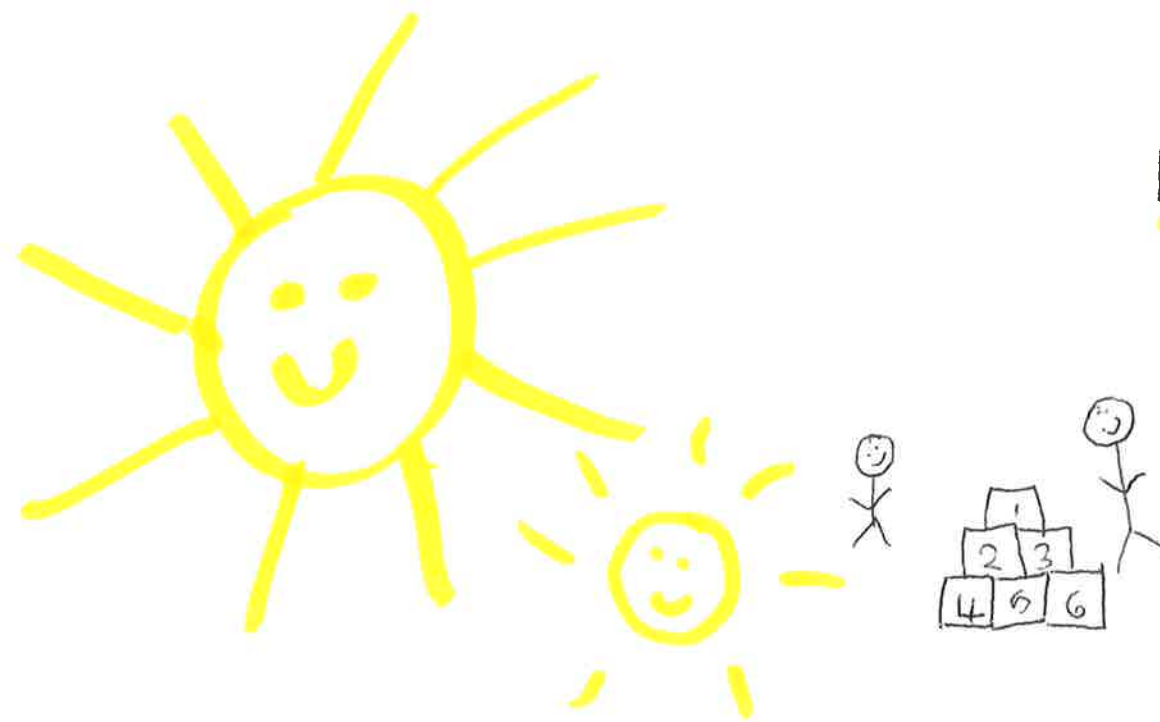

Relying on adults to develop their self control

Social Skills for Can-do Kids

- Feel comfortable with others
- Understand rights of others ✓ +
- Avoid being taken advantage of.
- Play together and playing co-operatively
- Show empathy and consideration
- Treat others fairly
- Show self-control in behaviour and others. ✋

Social Skills

Adult Influences on Social Skills

- Treat everyone fairly
- Parents can arrange play dates to meet other children
- Adults can allow children to learn independently
- Children learn how to treat other people by the way they are treated.

Recipe for developing Social Skills

- positive discipline
 - Understanding points of view
 - Empathy for people feelings
 - Respect others
- Have fun together
