

Terms and Conditions for IAF Academic year 21/22

Please read through the following terms and conditions in relation to the Introduce a Friend Scheme ("the Scheme"). If you have any questions or concerns about the scheme or this form, please contact BirminghamAdmissions@uwtsd.ac.uk.

1. Those referring a friend (Referrer) under the Scheme must be currently studying on a course delivered by the Institute of Inner City Learning.
2. Those being referred (prospective student) must:
 - Be aged 18 years old or over at the time of referral
 - Not be an employee (or immediate family member) of the Institute of Inner City Learning
 - Submit the student number and name of the current enrolled UWTSD student who has referred them
 - Not have previously enquired or applied for a programme through the Institute of Inner City Learning
 - Not be using any form of representative or education agent to assist with their application
3. The Institute of Inner City Learning will permit a maximum of 2 referrals per Referrer per term per academic year. The Institute of Inner City Learning will determine appropriate term dates. The referrals will only be paid by the Institute of Inner City Learning ("the Institute") when the subsequent application leads to a student being successfully enrolled on a course as delivered at the Institute.
4. This form must be completed by the applicant prior to their enrolment on a course at the Institute of Inner City Learning; no payment will be granted if this form is completed after enrolment.
5. Graduates of UWTSD are not eligible for this scheme
6. The applicant must apply directly through the University for the chosen course. Applicants who register with a representative/education agent at any time are not eligible for this scheme.
7. Both referrer and referee will only receive the voucher after the applicant's first instalment of the tuition fee loan has been paid to the UWTSD by Student Finance England (SFE). It is the referrer's responsibility to inform a member of the Admissions team that the first instalment has been paid.
8. The voucher will be sent to the referee's and referrer's email addresses provided on this form and will be valid to be spent at Amazon.co.uk. More terms and conditions specific to Amazon will be available on the voucher itself. It is the responsibility of the referee and referrer to ensure all information as provided on this form, including email addresses are correct.
9. No part of this offer is exchangeable for cash or any other incentive. The Institute of Inner City Learning reserves the right to withhold the referral payments if any of the above conditions have not been met.
10. No payment will be made if there are any outstanding debts for either the Referrer or the prospective student due to the University.
11. Only courses offered through the Institute of Inner City Learning are eligible for this offer. For a full list of courses, please see <https://uwtsd.ac.uk/birmingham/programmes-of-study/>.
12. The Introduce a Friend scheme cannot be used in conjunction with any other fee discount available through the University.
13. Applicants who intend to take advantage of a third-party scholarship or who are intending to use Student Finance to help fund their studies can apply to the scheme.
14. Applicants who are associated with an organisation that is an official partner of the University, or its subsidiaries are not eligible for this scheme.
15. Where an Applicant then introduces a third party to the Institute of Inner City Learning who then successfully enrolls, the original Referrer shall not, by virtue of such initial introduction, be deemed to have referred the third party.
16. Any personal data relating to an Applicant will be used solely in accordance with current UK data protection legislation and will not be disclosed to a third party without the consent of the applicant.
17. For the avoidance of doubt, the country of residence of an Applicant will be determined by the address detailed on their original application. The final decision as to the country of residence will be that of the Institute of Inner City Learning alone.
18. The Institute of Inner City Learning reserves the right to change the format of the scheme, amend these terms and conditions or withdraw the scheme at any time. Notice of any changes will be on the Institute of Inner City Learning's website.
19. The Institute of Inner-City Learning's decision is final in relation to all elements of and the application of the Introduce a Friend Scheme.
20. Any dispute or claim arising out of or in connection with these conditions or their subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales.
