All: red high knee socks

Red high heels for chris

White adidas shoes with red stripes for girls

KINGLY SHIT

Ophelias flowers

GREENLAND

(well what are we doing in Greenland)

This is my thought about Greenland

Having the polythene all over I feel like they should be in these white overalls over their red underwear... so everybody think there is going to

be a splatter scene... but we know there isnt going to be a splatter scene... or at least i think so...

Hope this helps...
